

# CURRICULUM VITAE

## Personal Data

**First name:** Abdelkader  
**Last name:** Ait El Mekki  
**Date and place of birth:** 31/12/1960, Errachidia (Morocco)  
**Citizenship:** Moroccan  
**Marital status:** married, father of three

**Address:** Department of Agricultural Economics, National School of Agriculture, Meknes (ENA Meknes), PO Box: S/40 Meknes, Morocco.

**Phone:**

Office: (++) 212 (0) 535 30 02 39/40/41

Home: (++) 212 (0) 535 30 02 62

Mobile: (++) 212 (0) 670 81 22 25

**FAX:** (++) 212 (0) 535 30 02 38

**Email:** [amekki@enameknes.ac.ma](mailto:amekki@enameknes.ac.ma)

[Amekki2@gmail.com](mailto:Amekki2@gmail.com)

**Position:** Professor, Department of Agricultural Economics, National School of Agriculture, Meknes, Morocco.

## Education

- PhD. in Agricultural Economics: Catholic University of Louvain, Belgium, February 2000.
- Master of Science in Agricultural Economics: Laval University, Quebec, Canada, July 1992.
- Agricultural Engineer: National School of Agriculture at Meknes, Techniques and Development Option, July 1986.
- Technical Assistant: Horticulture School at Meknes, July 1979.

## Languages

- Arabic
- French
- English
- Berber

## Experience

- Professor at the Department of Agricultural Economics, ENA Meknes, Morocco., since August 1992;
- Head of the Department of Agricultural Economics, since October 30, 2013;
- Responsible for Research and Development, ENA Meknes, November 2007 – July 2012;
- Member of the 'ENA Meknes Council', April 2008 – July 2012 and since October 2013;
- Coordinator for the Research and Partnership Commission, ENA Meknes, April 2008 July 2012,

- Member of the Scientific Committee for Research and Development Projects of the Ministry of Agriculture, Morocco, December 2007 – July 2012;
- Member of the Scientific Committee for Millennium Challenge Corporation Project in Morocco (Ministry of Agriculture), December 2007 – September 2013;
- Member of Information Network of EU Development Projects in Morocco, since November 2007;
- Member of the Scientific Commission, ENA Meknes, February 2005 – July 2012;
- Head of the Department of Agricultural Economics, ENA Meknes, September 2000 – October 2002;
- Invited Professor, Hassan II Agronomic and Veterinarian Institute, Rabat, since January 2011;
- Invited Professor, Moulay Ismael University, Meknes, Morocco, since September 2001 ;
- Invited Professor, Mediterranean Agronomic Institute of Montpellier, France, April 2000 – April 2002;
- Research Assistant, Rural Economics Unit, Catholic University of Louvain, Belgium, Spring - Fall 1999;
- Research Assistant , Department of Rural Economics, Laval University, Canada, Fall 1991 – Summer 1992;

### Teaching

- Applied Value Chain Economic Analysis
- Sector and Policy Modeling
- International Economics
- Trade Policy
- Rural Economics
- Research Methodology in Agricultural Economics
- Microeconomics
- Firm Management
- Firm Environment
- Marketing
- Management and Evaluation of Development Projects

### Supervision of PhD Theses

- Agricultural Policy and Food Security in Morocco (in progress)
- Marketing of Local Products in Morocco (in progress)
- The New Taxation Policy in Agriculture (in progress)
- Information System of Staple Products in Morocco (in progress)
- Red Meat value Chain Analysis (in progress)

### Supervision of Msc Theses (with date of presentation by candidates)

- Econometric Analysis of Imports of Agricultural Inputs (in Progress)
- Demand Econometric Analysis of Staple Products (in progress)
- Marketing of Plum and Prune in the Region of Sefrou, Morocco (in progress)
- Econometric Analysis of Cereals Supply in Morocco, (October, 2013)
- The Green Morocco Plan and Poverty Alleviation: The Case of a Rural Project in the Region of Meknes, (September, 2013)
- Evaluation of the Cereals Producer Subsidy Equivalent (PSE) in Morocco, (September, 2013)
- Moroccan Tomato Exports to the EU: Application of Gravity Model, (April, 2013)

- Ovine Value Chain Analysis in the Region of El Hajeb, Morocco (September, 2012)
- Poultry value Chain Analysis in the Region of Meknes, Morocco (September, 2012)
- Dairy Value Chain Analysis in the Sais, Morocco, (October 2011)
- Strategic Analysis of the Citrus Export Portfolio in Morocco (September 2011)
- Economic Analysis of the Moroccan Strawberry Value Chain (September 2011)
- Economic Analysis of Tomato Value Chain, Production Systems and Certification in Souss Massa, Morocco (June 2011)
- Economic Competitiveness of the Olive Oil Value Chain in the Region of Sefrou, Morocco (May 2011)
- Economic Analysis of Irrigated Production Systems : the Case of the Loukkous (April 2011)
- Economic Analysis of Rainfed Production Systems: the Case of the El Hajeb Province (April 2011)
- Farmers' Risk Aversion in the Region of Meknes: the Case of Wheat Growers (October 2010)
- Economic Competitiveness of Agricultural Export: The Case of Blueberries and Raspberries (July 2010)
- Economic Analysis of the Cashew Value Chain in Burkina Faso: Application of the Value-Links method (July 2010)
- Structure-Conduct-Performance of the Fruit Industry: the Case of the Apple Value Chain in the Region of Sefrou (September 2009)
- Economic Competitiveness of the Sugar value Chain in Morocco (July 2009)
- Econometric Analysis of Supply and Demand of Milk in Morocco (July 2009)
- Yam (Indian Potato) Value Chain Analysis in Togo, July 2009
- Economic Analysis of the Agricultural Export Logistics in Morocco, (September 2008)
- Olive Oil Value Chain Analysis, (September 2008)
- Value Chain Analysis of the Certified Agricultural Products, (September 2007)
- Value Chain Analysis of the Aromatic and Medicinal products, (July 2007)
- A Multimarket Model for Cereals and Legumes in Morocco, (July 2006)
- A Multimarket Model for Meat Sector in Morocco, (September 2006)
- Strawberry Value Chain Analysis in Morocco, (September 2005)
- Economic Competitiveness of Moroccan Red Meat and Poultry Meat, (July 2005)
- Economic Competitiveness of Moroccan Olive and Olive Oil, (July 2005)
- Processed Food Export Analysis, (September 2004)
- An Input Output Model Applied to the Moroccan Agriculture Sector, (September 2004)
- Effects of WTO's Sanitary Provisions on the Moroccan Citrus Exports Sector, (October 2003)
- Vegetables and Fruits Supply and Distribution System in Meknes City, (October 2003).
- Effects of the Common Agricultural Policy and the Ongoing Free Trade Area between Morocco and the European Union on the Moroccan Agricultural Trade Balance, (September 2002).
- Apple Markets Econometrics and Co-integration, (July 2002).
- Effects of Highways Activity on Food Markets: The Case of the Rabat – Fes Highway, (October 2001).
- Promotion of Moroccan Citrus Exports, (September 2001).
- A Multimarket Model for Fats in Morocco, (September 2000).
- An Armington Model for Fats Imports in Morocco, (September 2000).
- Economic Analysis of the Sugar Subsector in the Doukkalas Perimeter, (October 1999).
- Economic Analysis of the Sugar Subsector in the Gharb Perimeter, (October 1999).

- Effects of Structural Adjustment on Agricultural Smallholders in Abda, Sais and Doukkalas Perimeters, Morocco, (December 1998).
- Economic Analysis of the Sunflower Subsector, (December 1998).
- Economic Analysis of the Exports of the Aromatic and Medicinal Products in Morocco, (December 1998).
- Economic Analysis of the Citrus Subsector in the Moroccan Eastern Area, (November 1995).
- Applied Information Systems: the Case of the Food Chains, (December 1995).
- Moroccan Agricultural Exports in the New Context of the International Trade, (October 1995).
- Cropping Liberalization and its Effects on the Agricultural Inputs Market in the Gharb Area, Morocco, (December 1994).

### Research and Expertise

- National Agroeconomist Consultant: Mint Value Chain Analysis, FAO, January – May 2014;
- Agroeconomist, Member of the Evaluation Team of the 'Rural development Project in the Mountainous Area of Al Haouz Province, Morocco. International Fund of Agricultural Development (IFAD), December, 2013;
- National Agroeconomist Consultant: Integration of Small and Medium size Farms to the Market in Morocco (General Council for Agricultural Development-IFAD), September 2011 –December 2013;
- Agroeconomist, Member of the Research Team on the EU Project Entitled « *After the Crisis: Economic Growth in Euro-Med Area Through Economic Integration* » (European Commission, Institute of Technology and Policy Studies, Sevilla, Spain), June 2012 – April 2013 ;
- Team Leader: Research Project on the Tree Crops Post Harvest (olive, dates, almonds and figs) (Millennium Challenge Account/Partnership for Progress Agency)/Ministry of Agriculture and Fisheries), December 2007 – September 2013;
- Agroeconomist: Developing the Date Subsector in Morocco (Agency for Agricultural Development, European Commission), February 2011 – June 2013;
- Team Leader: Olive and Dates Value Chain Analysis, Tree Crops Project (Millennium Challenge Account/Partnership for Progress Agency)/Ministry of Agriculture and Fisheries/Phytoconsulting), July 2010 – April 2013;
- Team Leader: the Tree Crops Project Baseline (Millennium Challenge Account/Partnership for Progress Agency)/Ministry of Agriculture and Fisheries)/Agriconsulting), March 2010 – April 2013;
- Agroeconomist: Member of the Research Project Team on 'Food Systems in the Mediterranean Area: Quantitative and Qualitative Issues' (International Centre for High Agronomic Studies and Agricultural Research Centre for International Development, Montpellier, France), December 2009 – December 2010;
- National Expert: Food policy in Morocco, (FAO), July-September 2010;
- Team Leader: Improving Production and Marketing for Small Farmers in the Mountain Area of Errachidia Province , Morocco, Ministry of Agriculture, Nov 2009-Dec 2013;
- Agroeconomist: Member of the Research Team on 'Improving Production and Marketing for Small Farmers in the Region of Goulmim-Smara, Southern Morocco', (Ministry of Agriculture), Nov 2009 - March 2013;
- National Expert: Food Security and Agriculture Priority in Morocco (FAO), September – November 2009;
- Team Leader: 'Healthy Food For Life' Project, ENA Meknes/European Commission, July 2009 – July 2014;

- Member of the Design Team: Trade and Investment Policy Support Activity, (USAID Morocco), March – April 2009;
- Team Leader: Sustainable Agrifood Systems and Rural Development (Sustained) Project, (ENA Meknes/European Commission), September 2009 – September 2013;
- National Expert: Member of Research Team on 'Regional Integration and Agricultural and Food Trade Policy', (the World Bank, the Joint Vienna Institute), February – June 2009;
- Team Leader: Evaluation of the Economic Impact of the Small and Medium Irrigation Projects in Morocco, 'FAO and the World Bank), September 2008 – March 2009;
- Team Leader: Oasis Products Development Project in Tafilalet Area, Morocco (Ministry of Agriculture, IFAD), January - December 2008;
- Team Leader: Agricultural Value Chain Development in the Region of Boulmane, Morocco, (Ministry of Agriculture, IFAD), January 2008 – December 2010;
- Team Leader: Rural Development of the Rural Commune of Kceibya, Province of Kenitra, Morocco, (Social Development Agency), February - September 2008;
- National Expert: Economic Impact of Water and Soil Protection Projects on Rural Development in North Africa, (FAO), May 2007 – January 2008,
- Agroeconomist: Member of the Project Team on 'Integrated Agriculture and Agribusiness' (Olive Oil, Olives, Berries, Capers, Lamb Meat) (USAID/Chemonics International), February 2005 – September 2009;
- Agroeconomist: Member of the Research Team on 'Regoverning Markets Project in Morocco: Integrating Small and Medium Farms to the Modern Market'. (Regoverning Markets Organization, England), 2005 – 2006;
- Agroeconomist: Member of the Research Team on 'The Impact of Public Policies on the Agricultural Subsectors in the Mediterranean countries', (College of Agriculture in Montpellier and the Mediterranean Agronomic Institute of Montpellier), 2002;
- Agroeconomist: Member of the Research Team on 'The Olive and Olive Oil competitiveness in Morocco and Tunisia' (Morocco – Tunisia Cooperation), 2002 - 2006.
- Member of the Mediterranean Agri-food Consortium coordinated by the Mediterranean Agronomic Institute of Montpellier, France, 2001 – 2004;
- Agroeconomist: Development of Organic Products Project, Ouarzazate/Zagora, (Ministry of Environment), 2004 – 2006;
- Agroeconomist: Animal Feeding Systems in Eastern Morocco, (Ministry of Agriculture), since November 2005;
- Agroeconomist: 'Training-Research-Action': the Case of Milk, Sugarbeet and Citrus in Berkane Morocco, (Ministry of Agriculture) , 2002 – 2006;
- National Expert: The Effects of the Moroccan-American Free Trade Area on the Key Agricultural Products in Morocco, (FAO and the General Council of the Agricultural Development in Morocco), 2004;
- National Expert: The Informal Olive Sector in Morocco, (GTZ, Germany), 2004;
- National Expert: Food Supply and Distribution System in Meknes City, (FAO), 2003;
- Agroeconomist: Participative Diagnostic for the Development of the Rural Commune of Ain Sfa, Province of Oujda, (the Agency for Economic and Social Development of the Northern Prefectures and Provinces, Morocco), 2002-2003;
- Agroeconomist: The Perspective of the Moroccan Food System at 2010 Horizon, (Omnium Nord Africain Holding, Morocco), 2002.
- Agroeconomist: Agricultural Activities Diversification in the Rainfed Perimeter of Rouached-Beni Batao-Chougrane, Province of Khouribga Morocco, (the Ministry of Agriculture), 2001-2002;
- National Expert: Evaluation of the potential market for sterile Mediterranean Fruit Fly in Morocco, (the International Atomic Energy Agency), 2001-2002;

- National Expert: Apple Imports Issues and Safeguard Measures, (the National Association of Fruit Growers, Morocco), 2001-2002;
- National Expert: Effects of Moroccan Commitments towards WTO on the Apple Subsector in Mid-Atlas Area, Morocco, (GTZ, Germany), 2001.
- Agroeconomist: Participative Diagnostic for the Development of the Rural Commune of Farkhana, Nador Province, Morocco, (the Agency for Economic and Social Development of the Northern Prefectures and Provinces), 2000-2001;

### **Organization of Seminars, Conferences and Training Sessions**

#### **Several on**

- The Value Chain Analysis
- Marketing of Agricultural and Food Products
- Agricultural and Food Policy
- Food Security
- Agricultural and Rural Development

### **Postdoctoral Stays Abroad**

- Food and Agricultural Trade for MENA Countries. Joint Vienna Institute, The World Bank, Vienna, Austria, April 6-9, 2010.
- Updating the Moroccan Input-Output Table: Department of Economics, Uppsala University, Sweden, October, 2006.
- Research on Quantitative Effects of Moroccan – American Free Trade Area on Agriculture and Food Sectors in Morocco Using a General Equilibrium Model (Global Trade Analysis Project Model, GTAP), Purdue University, West Lafayette, Indiana, USA, July – October, 2003.
- The Eleventh Annual Short Course in Global Trade Analysis: Initiation to the Global Trade Analysis Project (GTAP) Model. Purdue University, West Lafayette, Indiana, USA, August 2-8, 2003.
- The new Constraints of the Agricultural Policy. Mediterranean Agronomic Institute of Montpellier/Cairo University, Egypt, March 5 – 20, 1995.
- International Marketing of Agricultural Products, Mediterranean Agronomic Institute of Zaragoza, Spain, January 15 – 28, 1995.
- The Vertical Integration of Agricultural Markets. Laval University, Quebec, Canada, June 4 – 25, 1994.
- Computable General Equilibrium Models Applied to the Agricultural Sector. Mediterranean Agronomic Institute of Montpellier, France, December 2 – 19, 1993.
- The Functioning of the Farmers' organizations in Tarn et Garonne Department, Montauban, France, May 17 – June 18, 1988
- The Functioning of a Station of Agronomic Research, Baziege, Toulouse, France, April 17 – May 16, 1988
