

Curriculum Vitae

Name: El Amin Sanjak
Nationality: Sudanese
Marital Status: Male
Social Status: Married (five children)
Date Of Birth: April, 1962
Contact Address: ssanjak2000@yahoo.com
Broad specialization: community forestry
Narrow specialization: forestry extension
Mobile ++249922691347

Educational Level

PhD (Forestry). May, 2000 (The Role of Local Peoples' Participation in the Development and Management of Social Forestry in the Desert Prone Zone of The Sudan). University of Khartoum, Sudan

M. Sc. (Forestry). May, 1994 (Monitoring and Evaluation of The Private Forests In Greece). Mediterranean Agronomic Institute Of Chania (Maich) A Constituent Institute of The International Centre for Advanced Mediterranean Agronomic Studies. Greece

D.S.P.U. (Environment And Renewable Resources). Mediterranean Agronomic Institute of Chania (Maich) A Constituent Institute of The International Centre for Advanced Mediterranean Agronomic Studies. Greece. **B. Sc. (Forestry). May, 1987.** Class I (Honor) University Of Khartoum. Sudan.

Work Experience

Director, Administration of Teaching Assistants and Training. University of Khartoum. July, 2011 up to now.

Deputy Dean, Faculty of Forestry, University of Khartoum. December, 2005 to 2011

Head Department, Dept. Of Forest Management, Faculty of Forestry, U.Of K, 2002 To 2005

Assistant Professor, Dept. Of Forest Management, Faculty of Forestry, University Of Khartoum. 2000 To 2010.

Associate Professor, Dept. Of Forest Management, Faculty of Forestry, University Of Khartoum. 2010 upto now

Lecturer, Dept. Of Forest Management Faculty Of Forestry, University Of Khartoum. 1995 – 2000

Teaching Assistant. Faculty Of Forestry, University Of Khartoum. 1990 – 1995.

Assistant Forest Conservator, Forests National Corporation. July, 1989 – November, 1990. Darfur Region. Deputed to The International Labor Organization. Labor Intensive Special Public Works (Spwp) In Darfur Region, Jan., 1990 – Dec.,1990.

Range and Pasture Assistant Conservator. Ministry Of Agriculture and Natural Resources. Range and Pasture Administration. March, 1989 – August, 1989. South Kordofan.

Trainee in Care International In Sudan. Kordofan Agroforestry Extension Project (KAEP) May 1987 –March, 1989.

Others

- Registrar for the Faculty of Forestry University of Khartoum for The Period 1998 – 2001.

- Member of the Examination Committee, Faculty Of Forestry University Of Khartoum. 1995 – 2002
- Supervisor of the Scientific Tours For The Final Forestry Year (Fifth Year). 1995 – 2006
- (April – May) 2006. A visiting lecturer to Helsenki University, Finland
- A visiting lecture to Sennar University, Faculty of Natural Resources, 2002 and 2003
- Avisiting lecturer to Zalengi University, Faculty of Forestry. 2007 and 2008.
- April, 2005. A visiting lecturer to Padova University, Italy
- 2004 – Present. A member of the technical committee of the National Adaptation Plan of Action Project (NAPA). High Council of Environment and Natural Resources, Sudan.
- 2000 – 2004. A case study researcher for Assessment of Impacts and Adaptation to Climate Change Project (North Karfur State). High Council of Environment and Natural Resources, Sudan.
- 1998-present: Member, Faculty of Forestry Research Board, *University of Khartoum*.
- 2000-present : Member of the Senate, *University of Khartoum*.
- 2003 – present: Head, Computer Committee, *Faculty of Forestry, University of Khartoum*.
- 2000-present: Member, Faculty of Forestry Board, *University of Khartoum*.
- 2000-present: Member of Arabicization Committee, *Department of Forest Management , Faculty of Forestry, University of Khartoum*.
- 1998-2000 Secretary, Department of Forest Management Council, *Faculty of Forestry, University of Khartoum*.
- 1993-1994 Participated with other staff members in the development of the former *Department of Forestry into the Faculty of Forestry, University of Khartoum*.

Relevant Work Experience

Assistant Forest Conservator, Forests National Corporation. July, 1989 – November, 1989. Darfur Region.

The International Labor Organization (ILO). Labor Intensive Special Public Works (SPWP) In Darfur Region, Jan., 1990 – Dec.,1990.

Range and Pasture Assistant Conservator. Ministry Of Agriculture And Natural Recourses. Range And Pasture Administration. March, 1989 – August, 1989. South Kordofan.

Trainee in CARE International In Sudan. Kordofan Agroforestry Extension Project (KAEP) May 1987 –March, 1989.

OTHER ACTIVITIES

2014 – 2015 national coordinator for Value Chain Project, University of Khartoum

2014 – 2015 national coordinator for Welcome to Africa, Adaption to climate change, University of Khartoum

2013 – 2014 Team leader for National Adaptation Plan (NAP) project

2011- 2013. Team leader for Sudan – Technology Need Assessment.

2010- up to now. A member of the technical committee of the National Adaptation Plan Project (NAPP) – Sudan.

2004 – 2009. A member of the technical committee of the National Adaptation Plan of Action (NAPA) – Sudan.

2000 – 2004. A case study researcher for Assessment of Impacts and Adaptation to Climate Change Project (AIACC) - North Darfur State, Sudan. High Council of Environment and Natural Resources (HCENR), Sudan.

Consultancies

- Community-based conflict reduction in Abyei, Sudan – Oxfam Novib project In Abyei Locality - West Kordofan State. *SOS Sahel Sudan*. 2014
- Evaluation of Adaptation to climate change and variability at North Darfur State. SOS. 2013.
- SUDAN National Adaptation Plan: Increasing Preparedness to a changing climate. Republic of The Sudan. Ministry of Environment and Physical Development. UNEP. 2014
- Evaluation of Community *Environmental Action Planning Project In North Darfur State*. *SOS Sahel Sudan*. 2013
- Local appropriation and natural resources management: lessons learned since 1980s. LESSON LEARNED PROJECT. El Ain Natural Forest Management Project. SOS. 2014.
- Participatory Appraisal Survey of Climate Affected Communities. Development Of Strategy For Building The Resilience Of Pastoral Communities To Climate Change In Two Ecosystems Of Sudan Project (PSAP). August, 2012. Range and Pasture Administration. Khartoum, Sudan.
- Sudan Sustainable Natural Resources Management Project, White Nile State. June, 2013. World Bank / GEF Sahel and West Africa Program In support of the Great Green Wall Initiative.
- Adaptation Options for Cotton and Wheat in Sudan. Climate-proofing projects and programmes” of the National adaptation Project. March, 2013. Higher Council for Environment and Natural Resources, Khartoum, Sudan.
- Evaluation of training modules – Environment. February, 2013. Centre for Peace and Development Studies. University of Alfashir, Sudan.

- Local appropriation and natural resources management: lessons learned since 1980s. LESSON LEARNED PROJECT. El Ain Natural Forest Management Project. UNEP. 2014.
- Community-based conflict reduction in Abyei, Sudan – Oxfam Novib project In Abyei Locality - West Kordofan State. *SOS Sahel Sudan*. 2014
- Participatory Appraisal Survey of Climate Affected Communities. Development Of Strategy For Building The Resilience Of Pastoral Communities To Climate Change In Two Ecosystems Of Sudan Project (PSAP). August, 2012. Range and Pasture Administration. Khartoum, Sudan.
- Sudan Sustainable Natural Resources Management Project, White Nile State. June, 2013. World Bank / GEF Sahel and West Africa Program In support of the Great Green Wall Initiative.
- Adaptation Options for Cotton and Wheat in Sudan. Climate-proofing projects and programmes” of the National adaptation Project. March, 2013. Higher Council for Environment and Natural Resources, Khartoum, Sudan.
- Evaluation of training modules – Environment. February, 2013. Centre for Peace and Development Studies. University of Alfashir, Sudan.
- Training Workshop (Resource Person) on Strategic Planning. North Kordofan State. May, 2012. SOS Sahel Sudan

- Natural Resource – based Conflict and Mechanisms of Conflict Resolution In North Kordofan State. April, 2012 *SOS Sahel Sudan*.
- Revitalizing the Sudan Gum Arabic Production and Marketing Project. Training Workshop On Forestry Extension Program & Local People Mobilization. Forests National Corporation – Umrawaba. Resource Person. 3 – 5 June, 2012
- Evaluation of Ganati and Inabis Pilot Experiments for Controlling River Bank Erosion. 10 -22, July – 2011. NILE BASIN DISCOURSE (NBD). SUDAN NATIONAL DISCOURSE FORUM (SNDF).
- Community Based Adaptation to Climate Change in Africa (CBAA) Project. Um Rawaba Capacity Building and Advocacy Training Workshop. May, 2010. Sudanese Environmental Conservation Society
- Climate Change Research and Systematic Observations. High Council of Environment and Natural Resources (HCENR), Sudan. 2009.
- Livelihood Sector in Some Sudan's States. National Adaptation Plan of Action – Sudan. High Council of Environment and Natural Resources (HCENR), Sudan
- A Consultancy for Practical Action Organization for Documentation and Evaluation of Practical Action Adaptation Measures to Climate Change. April, 2008.
- Assessment of the Role of Nile Transboundary Environmental Action Project in Environmental Education and awareness. Nile Basin Initiative. Nile Transboundary Environmental Action Project. **2009**.
- Documentation and Evaluation of Practical Action Adaptation Measures to Climate Change. Practical Action Organization - Sudan 2008.
- Demographic and livelihood strategies. Impact of climatic variability/change on demography NAPA follow up Project. Higher Council for Environment and Natural Resources. 2008.
- *Water Vulnerability in The Agriculture And Food Security Sector*, Khartoum, Sudan. Higher Council for Environment and Natural Resources. 2008.
- Socioeconomic study on *Boswellia papyrifera* resin in South Kordofan State.
- Environmental Strategies for Increasing Human Resilience in Sudan: Lessons for Climate Change Adaptation in Northern and Eastern Africa. Water Harvesting in Central Darfur, Sudan. AIACC Project AF14.
- Organization and mobilization of local people into working groups to rehabilitate areas affected by refugees using agroforestry models. 2002. Higher Commissioner Of Refugees in Collaboration With Forests National Corporation and Hudeiba Research Station.
- Sensitization of local communities for adoption of agroforestry intervention relying on promising exotic trees. Higher Commissioner of Refugees in Collaboration With Forests National Corporation and Hudeiba Research Station. 2001

Workshops and Certificates and international participations

- Summer School Workshop. 04 – 12 March, 2013. (Resources Person). Scientific Cooperation Network on Climate Change Adaptation – Welcome to Africa. Avenue; Faculty of Forestry, University of Khartoum (4-8 March) and University of Kordofan (9-12 March).
- Second Regional Capacity Building Workshop in African Region: on Barrier Analysis, Enabling Environment and Development of Technology Actions Plans. Technology Needs Assessment Project. 14-17 February, 2012. Venue: Fringilla, Zambia.

- GEF – Funded Technology Needs Assessment Project. 1st Regional Capacity Building Workshop for the 2nd round of Countries in Africa on Technology Needs Assessment . 23 – 30 June 2011. Venue Enashi Pai Resort & Spa, Naivasha, Kenya
- Participation in the 110th anniversary of Yangzhou University – China. 18 – 23 May 2012
- Inception Workshop for Sudan – Technology Needs Assessment. August, 2012. Resource Person. Avenue; Banks Union Hall, Sudan.
 - Stakeholders Consultation Workshop; June 2012 for Sudan – Technology Needs Assessment. Resource Person. Avenue; Banks Union Hall, Sudan.
 - Natural Resources Management Plan. the objective to support responsible and sustainable dealing with natural resources as well as exchange of experiences with Experts. 11 – 17 September 2011. Germany.
- Joint Event (AFDB & WB). Consultation on Adaptation to a Changing Climate in the Arab Countries Venue: African Development Bank. October 31, 2011. Tunis. Tunisia.
- Work shop (Resource Person) on: Agroforestry for Sustainable Land Husbandry and Rehabilitation. Personal contribution titled: Role of tree components in agroforestry systems as nutrient source, soil ameliorator, and crop fertilizer. Wondo Genet College of Forestry Sciences, Republic of Ethiopia, 11/7 – 25/7/2010
 - A workshop on Environmental Education and Awareness in the Nile Basin Training Framework for Tertiary Level Learning. Organized by Nile Basin Initiative, Nile Transboundary Environmental Action project. July, 2008.
 - A certificate for Climate Change Training workshop on National Greenhouse Gases Inventory. Organized by Second National Communication Project, 8 – 10 July, 2008.
 - A certificate on vulnerability and adaptation: water resources (WEAP) model and coastal zone. Organized by Ministry of Environment and Physical Development in collaboration with Stockholm Environmental Institute – Boston, USA. 26 – 30 October, 2008. Khartoum – Sudan.
- World Intellectual Property Organization. WIPO Worldwide Academy Certificate. Training of Trainers Program in Intellectual Property. August 1, 2007 to March 6, 2008
- New Scenarios Expert Meeting in the Netherland. Towards New Scenarios for emissions, climate change, impacts, as response strategies. 19 – 21 September, 2007. Noordwijkerhout, the Netherland.
- Least Developed countries Expert group (LEG). Stocking meeting on the progress made by parties in Natural Adaptation Program of Action (NAPA). Bangkok, Thailand. 3 – 5 September, 2007
- Workshop on Natural Resources Base conflicts. Cairo, Egypt. 2006
- Workshop on the Assessments of Impacts and Adaptations to Climate Change Organized By AIACC Africa and Indian Ocean Island Regional Workshop. Nairobi, Kenya. 2006.
- Ist International Non-wood Forest Products Symposium organized by Karadeniz Technical University. 1 – 4 November 2006. Trabzon, Turkey.
- Workshop On The Assessments Of Impacts And Adaptations To Climate Change Organized By AIACC Africa And Indian Ocean Island Regional Workshop. Melano, Italy. 2005.
- Workshop on the Assessments of Impacts and Adaptations to Climate Change Organized By AIACC Africa and Indian Ocean Island Regional Workshop. Dakar, Senegal.

- Workshop on the Assessments of Impacts and Adaptations to Climate Change Organized By AIACC Africa and Indian Ocean Island Regional Workshop. Pretoria, South Africa. 2003
- Workshop on The Prospects Of Agroforestry Education In Sudan. Organized By African Network For Agroforestry Education (ANAFE) Khartoum, May 2001. University Of Khartoum.
- Workshop in the Development of Postgraduate Curriculum for Postgraduate Studies in Agroforestry. March 2002. Juba University, Khartoum.
- Workshop on Rehabilitation of Areas Affected By Refugees. Agroforestry Models. Organized By The Higher Commissioner Of Refugees in Collaboration With Forests National Corporation and Hudeiba Research Station.
- Development Of Landscape Architecture Curriculum For Undergraduate Student. Omdurman Islamic University. Feb., 2002
- Tree Seed Project Training Course On Seed Source Identification And Seed Collection. Jan., - Feb., 1992. Organized By Finnida In Singa State.
- Workshop on Distance Education, Faculty Of Technology And Development Studies Meeting Hall. Dec., 1999.
- Revision and Implementation Of The Draft Syllabi Of Participatory Community Forestry Project. Nairobi, Kenya. Nov., 1992. Organized By The Forestry Training Programme Of Finland In Collaboration With The Ministry Of Environment And Natural Resources, Forest Department.
- Course of Study in Writing and Editing For Distance Learning Organized By The Faculty Of Technological And Developmental Studies. U Of K, October, 1999
- A workshop on Environmental Education and Awareness in the Nile Basin Training Framework for Tertiary Level Learning. Organized by Nile Basin Initiative, Nile Transboundary Environmental Action project. July, 2008.
- A certificate for Climate Change Training workshop on National Greenhouse Gases Inventory. Organized by Second National Communication Project, 8 – 10 July, 2008.
- World Intellectual Property Organization. WIPO WorldWide Academy Certificate. Training of Trainers Program in Intellectual Property. August 1, 2007 to March 6, 2008
- New Scenarios Expert Meeting in the Netherland. Towards New Scenarios for emissions, climate change, impacts, as response strategies. 19 – 21 September, 2007. Noordwijkerhout, the Netherland.
- Least Developed countries Expert group (LEG). Stocking meeting on the progress made by parties in Natural Adaptation Program of Action (NAPA). Bangkok, Thailand. 3 – 5 September, 2007
- Workshop on Basic and High Education in Africa. Tempeare University, Finland.
- Workshop on Natural Resources Base conflicts. Cairo, Egypt. 2006
- Workshop on the Assessments of Impacts and Adaptations to Climate Change Organized By AIACC Africa and Indian Ocean Island Regional Workshop. Nerobi, Keny. 2006
- Workshop On The Assessments Of Impacts And Adaptations To Climate Change Organized By AIACC Africa And Indian Ocean Island Regional Workshop. Melano, Italy. 2005.
- Workshop on the Assessments of Impacts and Adaptations to Climate Change Organized By AIACC Africa and Indian Ocean Island Regional Workshop. Dakar, Senegal.

- Workshop on the Assessments of Impacts and Adaptations to Climate Change Organized By AIACC Africa and Indian Ocean Island Regional Workshop. Pretoria, South Africa. 2003
- Workshop on The Prospects Of Agroforestry Education In Sudan. Organized By African Network For Agroforestry Education (ANAFE) Khartoum, May 2001. University Of Khartoum.
- Workshop in the Development of Postgraduate Curriculum for Postgraduate Studies in Agroforestry. March 2002. Juba University, Khartoum.
- Workshop on Rehabilitation of Areas Affected By Refugees. Agroforestry Models. Organized By The Higher Commissioner Of Refugees In Collaboration With Forests National Corporation And Hudeiba Research Station.
- Development Of Landscape Architecture Curriculum For Undergraduate Student. Omdurman Islamic University. Feb., 2002
- Tree Seed Project Training Course On Seed Source Identification And Seed Collection. Jan., - Feb., 1992. Organized By Finnida In Singa State.
- Workshop on Distance Education, Faculty Of Technology And Development Studies Meeting Hall. Dec., 1999.
- Revision and Implementation Of The Draft Syllabi Of Participatory Community Forestry Project. Nairobi, Kenya. Nov., 1992. Organized By The Forestry Training Programme Of Finland In Collaboration With The Ministry Of Environment And Natural Resources, Forest Department.
- Course of Study in Writing and Editing For Distance Learning Organized By The Faculty Of Technological And Developmental Studies. U Of K, October, 1999

■ Post Graduate Training (Supervision of postgraduate students)

Hiba Mustafa Abdalah Mustafa. 2001. Women's Contribution to Rural Development through Community Forestry. Case study; Shendi Province, Sudan. A case Study; Dinder Locality-Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Intisar Ali Salih. 2001. The Role of Community-Based Institutions in the management of Natural Resources. . A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Suad Omer Elmubarak. 2002. Impacts of Decentration on Sustainable Management of Forests Resources in the Sudan. A case Study of Kassala and Gedarif States, Sudan. . A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Amani Mohamed Ageed. 2002. Role of Forestry Extension in Promoting Peoples' Participation in Forest Planting in Singa Area. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Alawia Osman Mohamed Koli. 2002. Prospects of Traditional Bush Fallow Sysem in Western Kordofan State. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Yousif Sulieman Abdalla. 2002. Prospects of natural forest management in the Blue Nile State. A case study: Ennur and Auffud forests Reserved. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Ghazi El Khidir Mohamed. 2003. Local people's Perception towards NGOs Interventions in Forestry Activities. Case study – White Nile State. A case Study; Dinder Locality-Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Samuel John Awok Nyijok. 2003. Prospects of Community Forestry in Jebel Marra Area. A case Study; Dinder Locality-Sudan. A thesis submitted for the fulfillment of the requirements of the degree of master of science in forestry science. University of Juba, Sudan

Burae Balla Elhussien Balla. 2004. Assessment of Agroforestry Extension in Areas Affected by Refugees. Case study; Eastern Sudan. A case Study; Dinder Locality-Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Mohammed Salih Adam Abdalla. 2004. Company – Community Forestry Partnership. Case study; Kennana Sugar Company, Sudan. A case Study; Dinder Locality-Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Hayfa Abdallah Bashir Abdallah. 2004. Impact Assessment of Gender Analysis in Community Forestry, Case – study; Sennar State. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Yasir Mohammed Elghaly Ahmed. 2005. Evaluation of Forestry Extension Methods, Case-study; ElObied, Shendi and Khartoum Rural Councils – Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Yahya Adam Abdalla. 2004. Assessment of community forestry activities in Jebel Marra Area. A thesis submitted for the fulfillment of the degree of master of science. Sudan University of Science and technology . college of graduate studies.

Fadwa Adam Abbakar Adam. 2005. Assessment of Management of Communal Forests by Local People; Case study; Singa Locality, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Hassan Khalid Faris. 2005. Assessment of Local people's participation in forest management. Case-study; Suntubar Reserved Forest. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Yasir Mohammed Elghaly Ahmed. 2005. Evaluation of Forestry Extension Methods. Case-study; ElObied, Shendi and Khartoum Rural Councils – Sudan. A case Study; Dinder Locality-Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Tarig Eltigani Fadlalla Adam Algadall. 2006. Impacts of modification of bush fallow system on the sustainable livelihood of local communities in Um Ruwaba Locality, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Mohammed Elsheikh El Awad EL Amin. 2006. The Role of NGOs in Rural Development through Forestry Activities. Case study; Gezira East Locality. A case Study; Dinder Locality-Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Fatima Mohamed Ahmed EL Amin Ramly. 2006. The Role of the Farmers' Associations in the Rehabilitation of the Gum Arabic Belt. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Mahasin Mohamed Salih. 2006. Adoption of Liquefied Petroleum Gas and Improved Cooking Stoves in White Nile State, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Musa Abdullahi Eissa. 2006. Local People Perception of Mud Building Adoption for Conservation of the Vegetation Cover. Case-study; Bara Locality, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Mutasim Mohamed Saeed Bashir. 2006. The Role of Local NGOs in the Conservation of Environment. A case of Khartoum North Locality. A thesis submitted to the University of Khartoum for the fulfillment of the master of science in forestry

Isam Hassan Elobied Rahama. 2007. Adoption of Water Micro-catchments for Rehabilitation of Vegetation Cover. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Nada Gafar Musa. 2007. Assessment of liquefied petroleum gas and improved cooking stoves adoption in White Nile State, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum

Najat Fadlallah Medowi Fadlallah. 2007. Participation of Local People in Community Forestry Activities. A case Study; Dinder Locality-Sudan. A thesis submitted for the fulfillment of the requirements of the degree of master of science in forestry science. University of Juba, Sudan.

El Zibair Khalil Ahmed Ibrahim. 2007. Local people assessment to sand creep, sand islands formation and river bank erosion in Halfa Locality, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum (Arabic).

Ibrahim Doka Elbashir. 2007. The role of forestry extension in participatory forestry; Case study; El Rawashda Reserved forest, Gedarif-Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Abdelbagy Fadlalla Aiabna Eltoun. 2009. Impact of Sunb Riverian Forests Management on the Livelihood of Local Communities, Sinnar State. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Tahani Eltayeb A. Mohammed. 2009. The Role of Forestry Extension in Promoting afforestation in Khartoum State. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Afaf Mustafa Mohammed. 2009. Contribution of NGOs to enhance resilience of local communities to climate change in Kassala State, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Mymoonah Ali Elndif Obeid. 2009. The Role of Some Non-wood Forest Products in Sustainable Livelihood of Local Communities, Case of Um Rawaba Locality, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Khalda Abbas Hassan Alkozuli. 2010. Assessment of local people Participation in Rehabilitation of Natural Forest, Case of Khartoum state. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Attiyat Abdelgadir Hag Elsiddig Mohamed Ali. 2010. Impact of Liquefied Petroleum Gas on the Consumption of Biomass fuel in Khartoum State. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Faiza Siddig Mohamed Ahmed. 2010. Ph. D. Community Based Sustainable Management of El Ain Natural Forests in the Sudan. A thesis submitted to the University of Khartoum in fulfillment for the degree of PhD in Forestry (Social Forestry).

Mohamed Abuelgasim Ahmed Hassan. 2010. Impact of internal Displaced Persons on the Tree Cover at El Genina Locality, West Darfur State - Sudan. A

thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Ibrahim El-haj Mohammed Ibrahim Dagash. 2010. Socioeconomic Importance of NWFP, Case of Rashad Locality, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Marwa Mohamed Elhag Elmazal. 2011. Assessment of Forestry Extension in Sustainability of Communal Forests in Singa Locality, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Adam Ibrahim Mohamed Abdalla. 2011. The Role of Forestry Extension in Raising Standard of Living and Alleviate Poverty – Case of Eloudaya Administrative Unit, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Asma Elyass Mohammed Elzubair. 2011. Assessment of the Role of Elain Reserved Forest as Natural Rangelands, North Kordofan State, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Shahinaz Hashim Awad. 2011. The Role of ElDom Agricultural Cooperative in Rural Development. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Osman Ahmed Mohamed Hamza. 2012. Contribution of Canal Side Plantation to Rural Development in Gezira Scheme. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Nada Mohamed Elamin Ahmed. 2013. Assessment of Contribution of NGOs to Rural Development in Khartoum State; Case of East Nile Locality, Sudan. A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.

Salha Ahmed Sahkin. 2013. The Role of Women Communal Forests in Rural Development in South Darfur State (Arabic). A thesis submitted for the fulfillment of the degree of master of science in forestry. University of Khartoum.
