

## CURRICULUM VITAE

### I Personal data

**Family name:** Abdalla  
**First names:** Mohammed Salih Adam  
**Date of birth:** 7/9/1969  
**Place of birth:** Sudan, Kosti  
**Nationality:** Sudanese  
**Civil status:** Married, 04 children (at Primary education levels)  
**Contact data:** Currently living in Riyadh, Saudi Arabia  
Mobile # Saudi Arabia +966592919398 or +966508866270  
Sudan: +249922362095  
E-mail: khabir3@hotmail.com & Mohammed.Abdalla@giz.de

### II Academic qualifications

**Institution** University of Khartoum, Graduate College/ Sudan  
**Date** 2010  
**Degree** Ph.D. Eco-taxonomical study of trees and shrubs at Lower Atbara River Basin and their uses, Sudan

**Institution** University of Khartoum, Graduate College/ Sudan  
**Date** 2004  
**Degree** M.Sc. Company-community Forestry Partnership: an Example from Sudan "Kenana Sugar Company Ltd., Sudan"

**Institution** University of Khartoum, Faculty of Forest Sciences/ Sudan  
**Date** 1997  
**Degree** B.Sc. "Honours" in Agriculture and Forest Sciences

**Institution** University of Khartoum, Faculty of Science/ Sudan  
**Date** 1992  
**Degree** Preliminary Year Certificate, Biological Section

### III Professional experiences

2010-2016: Technical Coordinator of the Organic Farming Development Project, German International Cooperation (GIZ)-Ministry of Agriculture, Riyadh, Kingdom of Saudi Arabia (KSA) (Technical Advising, participating in planning & implementing all project activities & responsible of inspection and certification for the organic farmers and managing the project if needed)

1989-1990: Volunteer with the World Food Program (WFP) Relief Program, Kosti, Sudan

#### **IV Publications**

- Chemical Analysis of *Acacia ehrenbergiana* (Salam) Tree Fruits (Seeds and bods) as Dry Season Supplement for Livestock in Arid and Semi –Arid Lands of Sudan, *Animal Review Pak Insight*, 2015, 2(3): 76-80

- Physiological Behavior and Growth Response of *Eucalyptus camaldulensis* Dehn. Seedlings to Salt Stress Conditions, *International Journal of Science and Research* Vol. 4, Issue-6, June-2015

- Potentials Nutrient Composition of *Acacia seyal* Fruits as Fodder for Livestock in the Dry lands in Sudan, *Development in Analytical Chemistry*, Volume 1, 2014

- Influence of Copper Stress on the Growth Performance of *Eucalyptus Camaldulensis* Seedlings, *International Journal of Plant, Animal and Environmental Sciences*, Vol. 4, Issue-2, April-June-2014

- Potential of *Prosopis chilensis* (Molina) Stuntz as a Non-conventional animal feed in The Dry Lands of Sudan, *International Journal of Plant, Animal and Environmental Sciences*, Vol. 4, Issue-2, April-June-2014

- Food Potential & Chemical Composition of *Acacia nilotica* Fruits for Livestock in the Dry Lands of Sudan, *International Journal of Plant, Animal and Environmental Sciences*, Vol. 4, Issue-1, Jan – Mar 2014

- Tree and Shrub Species at Lower Atbara River Basin, North-eastern Sudan, Tropentag 2010, September 14-16, 2010, Zurich, Switzerland “World Food System A Contribution from Europe” “Conference book”

- Company-Community Forestry Partnership: an Example from Sudan “Kenana Sugar Company Ltd., Sudan”, Tropentag, October 6-8, 2009, Hamburg “Biophysical and Socio-economic Frame Conditions for the Sustainable Management of Natural Resources”, “Conference book”

- A Preliminary Investigation in to the Fodder Potentials of Some Selected Acacias in the Dry Lands of Sudan (Under publication)

#### **V Conferences, training courses, workshops, seminars and exhibitions**

- Tropentag Conference: “Management of land use systems for enhanced food security – conflicts, controversies and resolutions” Humboldt University, Berlin, Germany, September, 2015,

- Training within Berlin Botanical Garden, Berlin, Germany, September, 2015,

- Training within Kew Royal Botanical Garden, Kew, United Kingdom, March, 2015,

- Training in Plant Taxonomy in the Botanical Garden at Hohenheim University, Hohenheim Germany, 2008

- Demonstrator for (16) Saudi extension staff, in a training of “Organic Farming Principals and Extension Services” at the Technical Center for Organic Agriculture, Sousse, Tunisia, Dec., 2014,

- Participating in the preparation and execution of the National Public Awareness Campaign in Organic Agriculture at Hypermarkets, Social media & Media means “launching, following up & evaluation” Riyadh, (KSA), Nov., 2014,
- Demonstrator and translator with experts from "FiBL Research Institute of Organic Agriculture, Switzerland” for the researchers in Advanced Level Training “How to Conduct Trials and Experiments in Organic Farming” (Frick), June, 2014,
- Moderator with the experts from “Humboldt University, Germany” for the Organic Agricultural Policy Workshops (Riyadh, Berlin & Magdeburg), March 2012 – March 2014,
- Participating at lectures and managing VIP delegations to Biofach exhibition, Nurnberg, Germany, from 2010 -2015,
- Demonstrator with an expert from "vTI Institute, Trenthorst, Germany" for farmers & agronomists in Organic Livestock (Sheep, Goats and Poultry) Workshops, (KSA), January 2012 - Nov. 2013,
- Leading a delegation for Inspectors and Auditors Training for the Inspection and Witness-audits, Izmir, Turkey, Sept.2013,
- Facilitator to collect data by “Morarka Rural Research Foundation” for feasibility study for Organic Supermarket, (KSA), Sept. 2013,
- Demonstrator and translator with an expert from " FiBL Research Institute of Organic Agriculture, Germany” for the agronomists in Advanced Level Training Workshop for “Evaluation of Inputs for Organic Farming”, Frankfurt, Germany, June, 2013,
- Demonstrator & Trainee with an expert from "PreCert Consulting and Audit, Germany” for the agronomists “Auditor training” in ISO 17065 requirements (KSA), March 2012,
- Demonstrator with an expert from "FiBL Research Institute of Organic Agriculture, Switzerland” for farmers & agronomists in Plant Nutrition Workshops, (KSA), Oct. 2011,
- Researcher & facilitator with an expert from "FiBL Research Institute of Organic Agriculture, Switzerland” for Organic Products Marketing Development activities, (KSA), July & Oct. 2011,
- Participating in Value-Links Training for trainers, Oestrich-Winkle, Germany, July, 2011
- Demonstrator for agronomists training with "Morarka Rural Research Foundation" Jaipur-India, 2010
- Tropentag Conference: “World Food System A Contribution from Europe" ETH University, Zurich, Switzerland 2010
- Inspection and evaluation of the productive organic farms in Saudi Arabia with BCS “German Certification Body”, 2010
- Tropentag Conference: "Biophysical and Socio-economic Frame Conditions for the Sustainable Management of Natural Resources" Hamburg, Germany, 2009
- Visit “Naturland Association for Organic Farming” in Munich, Germany, 2009
- Tropentag Conference: "Competition for Resources in a Changing World New Drive for Rural Development" Hohenheim University, Hohenheim, Germany, 2008
- Acceptance in sandwich program for the PhD student in Gottingen University, Germany, 2008

- IFOAM first conference: "Marketing of Organic Farming Products and Regional Values", Schwäbisch Hall, Germany, 2007
- Presentation of "Future of Organic Farming in Sudan", Sudanese Metrology & Standards Organization, Khartoum, Sudan, 2007

## **VI Technical reviewing of**

- Development of Organic Agriculture Standards & Regulations and Law & By-Law for Saudi Arabia
- Organic Farming: Marketing Development Plan, Policy and Policy Action Plan for Saudi Arabia
- Organic Farming Awareness leaflets a& flyers
- Animal health in Organic Farming under the condition of Saudi Arabia
- Organic Farming Sector Study in Saudi Arabia
- Standard Operating Procedures for Research Purposes:
  - \* Composting trials.
  - \* Fertilization Trials in Crop Production.
  - \* Variety trials in vegetable and MAP production
- Organic Farming Conversion Guideline
- Organic Farming Input List for Saudi Arabia
- Technical Proposals of the Organic Farming Project
- Standards of the Organic Farming in the Gulf Area
- Organic Farming Handbook for Saudi Arabia
- Composting Manual and Compost Flyer
- Neem Tree as a natural Insecticide in Organic Farming

## **VII Membership of professional societies and Associations**

- Organic Farming Technical Committee: Updating the Regulation, Law and By-Law, (KSA)
- International Federation of Organic Agric. Movements "IFOAM" / Bonn, Germany
- Network for Eco-farming in Africa (Necofa) / Witzenhausen, Germany
- Sudanese Environment Conservation Society / Khartoum, Sudan
- Sudanese Organic Farming Society/ Sudan
- Sudanese Agricultural Engineering Association / Khartoum, Sudan
- Saudi Organic Farming Association / Riyadh, (KSA)

### **VIII Miscellaneous skills and competencies**

- Very Good experiences to do demonstration for the students, trainees and researchers
- Good experiences in conducting scientific researches, experiments and field trials
- Good experiences to propose and evaluate the training program & organizing workshops
- Good networking with the international organic farming experts, institutes & organizations
- Good knowledge in the international organic farming regulations & legislations
- Excellent administration skills and have some financial & translation/ interpretation experiences
- Computer literacy: Word, excel, PowerPoint, Internet and data processing (SPSS)
- Good language skills in both Arabic and English and very limit in German & French
- Willing to work in a multi-national team with different cultures
