

Curriculum Vitae

Name : Mounir Foda A. Sabaa

Date of Birth: 24/4/1947

Place of Birth : El-Mahala El-kobra, Gharbia, Egypt.

Tel. No. Home : (040) 2223876 & (02) 37220311 - Mobil
(01223605306)

e-mail < mounir.sabaa@ Yahoo. Com>

Date of Nomination: 1/6/1970

Position : Emeritus Chief of research and Former Deputy Director of Agricultural Economics Research Institute (AERI), Agricultural Research Center (ARC), Ministry of Agriculture and Land Reclamation (MOALR), Egypt

Work Address : Agricultural Economics Research Institute (AERI), MOALR, Dokki, Giza, Egypt.

Education ;

1. Post Doctorate grant, at Department of Economics, Iowa State University Ames ,USA,(in the field of agricultural finance,feasibility studies and project evaluation),1990.
- 2- Ph.D Agric. Economics, Cairo University, 1984(Investment and agricultural development programs)
- 3- M.Sc. Agric. Economics, Cairo University, 1979
- 4- B.Sc. Agric. Economics, Cairo University, 1969

Employment History:

- 1- 2010-2011, Emeritus Chief of research ,AERI,ARC
2. 2007-2009, Chief of research ,AERI,ARC
- 3 2006-2007 ,Deputy Director of AERI
- 4.1999-2002, Head of Agri. Finance and Cooperation Research Division ,AERI, ARC,MOALR.
- 5–1996-1999 Chief of research, AERI/ARC/MOA.
- 6 –1990-1996 Senior Researcher, AERI/ARC/MOA.
- 7 - 1984-1989.Researcher,AERI/ARC/MOA.
- 8- 1980-1984 Ass. Researcher, AERI/ARC/MOA.
- 9 - 1974-1980 Res. Assistant, AERI/ARC/MOA.
- 10 - 1970-1973 Econ .Specialist, MOA.

Key Qualification:

*** More than forty years of professional experience in the field of agricultural economics with particular involvement in agricultural**

finance and rural credit (preparing credit schemes and credit line evaluation), project evaluation and feasibility studies, market research, economic evaluation of new agricultural technologies, policy program impact including (Assessing the socio-economic impact of funded projects; and designing, using, and analyzing impact assessment questionnaires).

* Agricultural Economist to the Trinational technology exchange and cooperation project, responsible for the economic evaluation of animal production activity, on-farm trials, 1988-1992.

* Participated as economist counterpart to euroconsult in the Egyptian Food Sector Development Study, (Livestock, Dairy production, Edible oils and Fishers). Co-financed by Egypt and the European Economic Community 1988and 1992.

*Conduct the economic evaluation of on-farm trials (Rice, Maize, Sweet potatoes and Wheat), the National Research project(NARP)1988-92.

*Agricultural Economist/team member of the Egyptian consultancy mission to Cote D 'Ivoire^ (Ivory Coast). 1986

* Participated as economist in the studies conducted by the Agricultural Finance and Cooperation research division, AERI, 1984-2003

FAO studies

1- Country report on progress in agrarian reform and rural development, 1987.

2- Egyptian case study on agricultural infrastructure improvement for fertilizer distribution, 1988.

3- Report of the National Agro-economist -Training in Hybrid Rice Technology in Egypt-FAO-TCP/EGY/2801-December 2002

4- FAO Project on Special and Sensitive Products in the WTO Agriculture Negotiations "National case study/Egypt, Jan.- June 2006.

5- Rice Straw Management and Conservation of Environment .FAO-

EGY/3102.MOALR,2007

6- Consultant-Team leader of the study titled “ Understanding the impact of rising food prices on farming communities in the NENA” FAO-IFAD collaboration, 2009.

Teaching and Training:

- * Planning ,implementing and supervising the training programs in the field of project evaluation and feasibility studies and risk analysis for the trainees from the PBDAC ,2008-2009.

- * Lecturing on “Project evaluation and feasibility studies, Acsad, Domascas ,Syria ,June,2007.

- * Lecturing on " Agricultural Finance and Credit" International training programs, AERI, MOALR.
- * Lecturing on "Farm efficiency measures, cost of production and farm management & Agricultural Economic Policy", Egyptian International Center for Agriculture (EICE), 1987-1996.
- * Lecturing on (Economic effects on using technological packages in crop production & Data collection for evaluation purposes). EICA/JICA. Training Programs for agronomists from African Countries. 1988-1995.
- * Lecturing on" Principles of Statistics" Omar Lotfi Agricultural cooperative training center/ Nowman Foundation, Ismailia, Egypt, 1987.
- * Training of Agricultural officers on data collection and preparation for economic evaluation purposes and on-farm trials, 1988-1996.
- * Advising M.Sc and Ph.D. Students on their thesis. Those students are the postgraduate levels of the AERI staff.
- * Planning and implementing training course in Quantitative Agricultural Policy Analysis, cooperation between AERI and University of California Berkeley, USA, June, 1994.
- * Lecturing on" Rice Economics in Egypt" training program for the African trainees. Rice Technology Training Center Alexandria, 1995-2002

Advising M.Sc and Ph.D. Students on their thesis. Those students are the postgraduate levels of the AERI staff.

International Cooperation and Experience overseas

- 1) **Ivory Coast** (COTE DIVOIRE): The Economist of An Egyptian Mission to survey data required for studying the cost of establishing a quarantine house, assessing the efficiency of Sugar industry and preparing feasibility study for central workshop, March ,1986.

- 2) **U.S.A** 28/6-27/7/1986. Consultative trip through data collection and analysis project to visit agencies dealing with Agricultural statistics especially poultry statistics and be oriented to moderm statistical methods in that field.

- 3) **U.S.A** 20/5-17/8/1990. Visiting Scholar at Department of Economics, Iowa State University Ames (in the field of agricultural finance and feasibility studies).
- 4) **Tanzania, Zanzibar** : 22/11/1992-17/5/1993: Agric. Credit Specialist- IFAD Smallholder support project- Zanzibar.
- 5) **Italy**: 15-22/10/1992: To attend the " Rice Economy workshop" : Held at University of Verona, Italy. Organized by INRA, France.
- 6) **Seira Leone**: 29/8-6/9/1993: To prepare two feasibility studies for poultry project and rice production project.
- 7) **U.S.A** 3/10-24/10/1993: To participate in the situation and outlook short course conducted by the USDA-ERS.
- 8) **Bangladesh**: September 1994 to participate in the workshop on " Rural Credit and Poverty Alleviation" UNDP, TCDC program.
- 9) **Spain**: To attend the seminar of Rice economics in the Mediterranean Basin" held in Cordoba, 15-16 December 1994.
- 10) **United Kingdom**: To attend the International symposium on " Rice quality" held at Nottingham in 24-27 November 1997.
- 11) **Islamic Republic of Iran**: To attend the Near East Regional workshop on "Food and Agricultural Policy Analysis with Emphasis on Credit and Rural Finance" organized by FAO, ABI, NENAARACA and SESRTCIC, September 1998.
- 12) **U.S.A**: May-June 1999: Consultative trip to the International Food Policy Research Institute (IFPRI) through the Agricultural Policy Reform Program in Egypt to complete the study titled " Strengthen the institution in providing financial services for rural households in Egypt".
- 13) **Holland**: 15-22/8/1999: Consultative trip and to visit the agricultural Economic Research Institute (LEI) through the National Potato development Project in Egypt to discuss the studies executed jointly between The Netherlands and Egypt.

- 14) **Uganda** : 28/5-3/6/2000: To attend the 5th triennial Congress of the African Potato Association and to present a paper titled "Economics of Potato Production in Egypt"
- 15) **Holland**: 1-6/7/2001: Consultative trip to the agricultural Economics Research Institute (LEI), Research & Extension agencies, Agri. Companies, Wageningen University.
- 16) **Algiers**: 26-28 April 2002: Participate in the seminar organized by CIHEAM on the Euro-Mediterranean partnership in the context of globalization " The euro-Mediterranean zone in the agricultural and agro-food sectors faced with globalization.
- 17) **Syria** , June,2007,Conduct training program on project evaluation ,ACSAD, Demascas.
