

About

Dr. osman ahmed osman Mohamed

Osman, O. A. is about forty two years old. He was born in Beka, Gezira Province, Gezira, Estate, Sudan but now he lives with his wife and two children in Saudi Arabia. Makkah Old Street - Jeddah, kingdom of Saudi Arabia. He graduated in 1998 and received his B.V. Sc. from University of Khartoum, Sudan and got a job with the Ministry of Agriculture, Animal Resource and Irrigation Khartoum State, Sudan he has worked as a Veterinary Officer.

In 2001 he received his Master in Veterinary Science from University of Khartoum, Sudan and joined the Sudanese Standards & Metrology, Organization, Khartoum, Sudan and worked in different departments.

In 2005 he awarded his Ph.D in Veterinary Science from University of Khartoum, Sudan. In the Sudanese Standards and Metrology Organization he enhanced his knowledge on quality and safety concepts through attending Forums, Workshops as well as he contributed in preparation, adoption and application of Standards, beside the Resource Books approved by The Sudanese Standards and Metrology Organization, SSMO, Sudan.

In 2009 he wrote the book {**Halal Food: Potential in the Sudan through science and development**}. Also he is the author of the books **Good Practices: Standards in the chain of food-stuff of animal origin Arabic ed** and **Food-stuff of animal origin: Requirements of Quality and Safety According to Standards Arabic ed**.

In 2011 he joined Veterinary Diagnostic Lab, Ministry of Agriculture, Jeddah, kingdom of Saudi Arabia within the frame of the Sudanese – kingdom of Saudi Arabia agreement.

Osman is very intelligent and has a good business brain. He is clearly ambitious, more demanding post elsewhere and on time he wants to move on to bigger achievements. He is innovative, self-motivated with strong leadership abilities and hard working. He is gentle in dealing with multinational groups with different ethnic backgrounds and different cultures. He shows calmness and logical thinking in handling crisis situations. He always aims at giving a first-class service to the customer and is polite and friendly.

DR Osman CV consists of numbers of sets. Its structure is straightforward.

- The first set is the personal information.
- The second set concerns the work experience.
- The third set relates to education and training.
- The remainder of the CV deals with the skills, information about the attendance of conferences, workshops, seminars and symposia, membership of committees, the scientific texts i.e. (Books, scientific publications), teaching experience and post-graduate students supervision.
- The last set is about the references to be referred to.

CV Osman, O. A. (2014)

Personal Information

Name	Osman Ahmed Osman Mohamed
Present Address	Veterinary Diagnostic Lab, Ministry of Agriculture, Jeddah, kingdom of Saudi Arabia. Makkah old Street - P. O. Box 2119 Jeddah, kingdom of Saudi Arabia
Address in Sudan	Sudanese Standards & Metrology Organization, Sudan, Khartoum Baladia Street - P. O. Box 13573 Khartoum, Sudan
Telephone (Office)	+96626210002
Fax	+96626209028
Mobile	+966556477602
e-mails	osman-ssmo@hotmail.com osmanssmo71@yahoo.com
Nationality of birth	Sudanese
Present nationality	Sudanese
Date of birth	25 th June 1971
Place of birth	Beka, Gezira Province, Gezira , Estate
Sex	Male
Marital status	Married, with 2 children.
Religion	Islam

Work Experience

Dates (from – to)	2011 to date
Name and address of employer	Veterinary Diagnostic Lab, Ministry of Agriculture, Jeddah, kingdom of Saudi Arabia
Type of business or sector	Governmental
Occupation or position held	Head, Toxicology Lab
Main activities and responsibilities	Analysis of residues and hormones in animals products

Dates (from – to)	2010 to 2011
Name and address of employer	Sudanese Standards & Metrology, Organization, Khartoum, Sudan
Type of business or sector	Governmental
Occupation or position held	Head, Biotechnology Lab
Main activities and responsibilities	Analysis of food and feed for genetically modified genes by using real time PCR

Dates (from – to)	2009 to 2010
Name and address of employer	Sudanese Standards & Metrology, Organization, Khartoum, Sudan
Type of business or sector	Governmental
Occupation or position held	Head Sanitary and phytosanitary (SPS) enquiry point
Main activities and responsibilities	Responsible for dealing with queries related to the SPS issues in the Sudan and WTO

Dates (from – to)	2006 to 2008
Name and address of employer	Standards Department, Sudanese Standards & Metrology, Organization, Khartoum, Sudan
Type of business or sector	Governmental
Occupation or position held	Head Veterinary Unit
Main activities and responsibilities	Developing of standards and technical regulation and activities of conformity assessment procedures for all foodstuff of animal origin

Dates (from – to)	2001-2006
Name and address of employer	Khartoum Airport, Sudanese Standards & Metrology, Organization, Khartoum
Type of business or sector	Governmental
Occupation or position held	Veterinary Inspector
Main activities and responsibilities	Certification of all animal and animal products

Dates (from – to)	1998 –2001
Name and address of employer	Ministry of Agriculture, Animal Resource and Irrigation Khartoum State, Sudan.
Type of business or sector	Governmental
Occupation or position held	Veterinary Officer
Main activities and responsibilities	Clinic work, vaccination campaigns, slaughterhouse inspection and administrative load

Education and training

Qualification

1st qualification

Dates (from – to)	2002-2005
Name and type of organization providing education	Department of Medicine Pharmacology and Toxicology, Faculty of Veterinary Science, University of Khartoum, Sudan.
Principal subjects/occupational skills covered	Studies on Neem Tree <i>Azadirachta indica</i> Seed Toxicity to Rats and Chicks
Title of qualification awarded	Ph.D in Veterinary Science

2nd qualification

Dates (from – to)	1998-2001
Name and type of organization providing education	Department of Medicine Pharmacology and Toxicology, Faculty of Veterinary Science, University of Khartoum, Sudan.
Principal subjects/occupational skills covered	Anticestodal Action of Some Medicinal Plant against the Poultry Cestode <i>Railleitina tetragona</i>
Title of qualification awarded	M. V. Sc. in Veterinary Science

3rd qualification

Dates (from – to)	1993-1998
Name and type of organization providing education	Faculty of Veterinary Science, University of Khartoum, Sudan.
Principal subjects/occupational skills covered	Veterinary science, medicine and animal production
Title of qualification awarded	B. V. Sc. In Veterinary Science

Training

1st Training

Dates (from – to)	11 May to August 11/ 2011
Name and type of organization providing training	WTO e Training center http://etraining.wto.org
Principal subjects/occupational skills covered	The basic disciplines of the TBT Agreement and procedures for control, inspection and approval.
Title of qualification awarded	WTO e- training certificate of participation on Technical Barriers to Trade - ET200311E".

2nd Training

Dates (from – to)	17-19 May 2011
Name and type of organization providing training	Ministry of Animal Resources and Fisheries and IGAD Secretariat, African Union , intra African Bureau for Animal Resources (PAN- SPSO) (PAN-SPSO) Project, Khartoum-Sudan.
Principal subjects/occupational skills covered	National Sensitization Workshop on the Role and Responsibilities of different players in Setting International Standards for trade in Agricultural, Livestock and Food Commodities
Title of qualification awarded	Certificate of participation

3rd Training

Dates (from – to)	16-21 April 2011
Name and type of organization providing training	IGAD Secretariat, African Union , intra African Bureau for Animal Resources (PAN- SPSO),Djibouti
Principal subjects/occupational skills covered	Training workshop on the use of Science-based methods and development of scientific arguments in standard-setting
Title of qualification awarded	Certificate of participation

4th Training

Dates (from – to)	December 18 th to 22 nd 2010
Name and type of organization providing training	E-SALAMA and University of Gezira, Wad medani, Sudan,
Principal subjects/occupational skills covered	9 th East and Southern Africa Laboratory Managers Association Training
Title of qualification awarded	Certificate of participation

6th Training

Dates (from – to)	21-30 September, 2010,
Name and type of organization providing training	Microbiology Department, Commission for Biotechnology and Genetic

	Engineering, NRC, Khartoum, Sudan
Principal subjects/occupational skills covered	Microbial Biotechnology
Title of qualification awarded	Certificate of participation

7th Training

Dates (from – to)	29 March to May 21 2010
Name and type of organization providing training	WTO e Training center http://etraining.wto.org
Principal subjects/occupational skills covered	The basic disciplines of the SPS Agreement and procedures for control, inspection and approval.
Title of qualification awarded	WTO e- training certificate of participation on Sanitary and phytosanitary measures –ET20055310

8th Training

Dates (from – to)	7-11 December 2009
Name and type of organization providing training	European Commission, Director-General for Health and Consumer, Lusaka – Zambia
Principal subjects/occupational skills covered	Harmonization of Food Hygiene Inspection within Africa Food law Feed law Animal health rules. Animal welfare rules. Plant health rules.
Title of qualification awarded	EC certificate of participation

9th Training

Dates (from – to)	27 July – 07 August 2009
Name and type of organization providing training	Malaysia Technical Cooperation Program (MTCP) Mines Beach Resort, Seri Kembangan, Malaysia.
Principal subjects/occupational skills covered	Halal Standards and Conformance Infrastructure For OIC Countries'
Title of qualification awarded	MTCP certificate of participation

10th Training

Dates (from – to)	21 August- October31 2006
Name and type of organization providing training	China Meat Center, Beijing, China
Principal subjects/occupational skills covered	Techniques of deep processing and safety & quality control of livestock products for African countries
Title of qualification awarded	certificate of participation

11th Training

Dates (from – to)	4 th December 2004 to April 2005
Name and type of organization providing training	Sudan National Centre For Languages (SUDANCEL-SELTI) Khartoum, Sudan
Principal subjects/occupational skills covered	Capacity Building Program For Senior Civil Servants in English Language
Title of qualification awarded	Certificate of participation

12th Training

Dates (from – to)	5-9 March, 2005
Name and type of organization providing training	TUV Group and Sudanese German, Center for quality assurance Khartoum, Sudan
Principal subjects/occupational skills covered	Advanced Course on Hazard Analysis and Critical Control Points (HACCP) system
Title of qualification awarded	Certificate of participation

13th Training

Dates (from – to)	1 st to 30 March 2003
Name and type of organization providing training	National Information Center (NIC), Khartoum, Sudan
Principal subjects/occupational skills covered	Computer Operation and Programmers
Title of qualification awarded	Certificate of participation

14th Training

Dates (from – to)	17-28 April, 2002
Name and type of organization providing training	Sudanese German, Center for quality assurance Khartoum, Sudan
Principal subjects/occupational skills covered	Hazard Analysis and Critical Control Point (HACCP) HACCP basic
Title of qualification awarded	Certificate of participation

15th Training

Dates (from – to)	2 May-2 July 2002
Name and type of organization providing training	Ministry of Health, National Health Laboratory (STAC), Khartoum, Sudan
Principal subjects/occupational skills covered	Molecular Biology Course (level 1 and 2)
Title of qualification awarded	certificate of participation

Skills

Languages

- **Arabic** (Mother Tongue).
- **English** (Fluent Writing, Reading & Speaking).

Computer skills

- Strong knowledge of computer & Internet Browsing.

**ATTENDANCE OF CONFERENCES, WORKSHOPS,
SEMINARS AND SYMPOSIA**

Dates (from – to)	29-31 March 2010
Name and type of organizer	Comesa secretariat , Nairobi, Kenya
Principal subjects	Workshop on the Review of National SPS Systems in Comesa Region
Dates (from – to)	28-30, April 2009
Name and type of organizer	Turkish Standards Institute TSE, Ankara, Turkey
Principal subjects	The First Session the 10 th Meeting of the OIC Standardization Experts' Group (SEG) on studying and developing of OIC halal standards
Dates (from – to)	13 to 16 October 2009
Name and type of organizer	Turkish Standards Institute TSE ,Istanbul, Turkey
Principal subjects	The Second Session the 10th Meeting of the OIC Standardization Experts' Group (SEG) on studying and developing of OIC halal standards
Dates (from – to)	11-13 March 2009
Name and type of organizer	Comesa secretariat, Nairobi, Kenya
Principal subjects	Workshop on Regional SPS laboratories guidelines
Dates (from – to)	14-15 March 2009
Name and type of organizer	Comesa secretariat, Nairobi, Kenya
Principal subjects	The second meeting of the regional sub-committee on SPS matters

Dates (from – to)	4-5 May,2008
Name and type of organizer	World Halal Forum, secretariat KLCC Convention Centre, Kula Lumpur, Malaysia
Principal subjects	World Halal Forum “Sustained Development through Investment & Integration

Dates (from – to)	13-16 April, 2008
Name and type of organizer	Turkish Standards Institute TSE, Ankara, Turkey
Principal subjects	The 9 th OIC Standardization Experts, Group on studying and developing of OIC halal standards

Membership of Committees

- **Member**, the Research Council, Faculty of Animal production, University of Khartoum, Sudan, 2011 to date.
- **Member**, OIC Standardization Experts, Group 2008 to date.
- **Member**, Live Animals Guide Committee, Sudan Standards and Metrology Organization (SSMO), 2006.
- **Member**, Live Animals and Cooled Transport Committee, Sudan Standards and Metrology Organization (SSMO), 2006.
- **Member** Editorial Board, Sudanese Journal of Standards and Metrology (S.J. Stnds. Metr.), 2006 – up to date.
- **Member**, Abattoirs Standards Committee, Sudan Standards and Metrology Organization (SSMO), 2006.
- **Member**, Abattoirs & Red meat and meat products Standards Committee, Sudanese Standards and Metrology Organization (SSMO), 2006 to date.
- **Member**, Scientific Committee, Veterinary Association 2005 to date.
- **Member**, the National Council for Poultry, Ministry of Animal Resources, Khartoum, Sudan, 2004-2005.
- **Member**, Medicinal plants Standards Committee, Sudanese Standards and Metrology Organization (SSMO), 2003-2007.
- **Member**, The National Council for leather, Ministry of industry, Khartoum, Sudan, 2006 to date.
- **Member**, Poultry Standards Committee, Sudanese Standards and Metrology Organization (SSMO), 2001.
- **Member**, Conformity Assessment Committee, Sudanese Standards and Metrology Organization (SSMO), 2004 to 2008.
- **Member**, Sud. J. Stnds. Metrol, Sudanese Standards and Metrology Organization (SSMO), 2007 to date.

SCIENTIFIC TEXTS

1. BOOKS**1st Book**

Title	Good Practices: Standards in the chain of food-stuff of animal origin Arabic ed
Author/year	Osman, O. A. (2012)
Principal subjects	Risk and food safety of foodstuff of animal origin , good production practice in foodstuff of animal origin, good manufacturing practice in foodstuff of animal origin and good storage practice in foodstuff of animal origin
Printing press company	Sudan Currency Printing Press, Khartoum, Sudan

2nd Book

Title	A Guide to food additives According to its Uses and Technical Function
Author/year	Ishag <i>etal</i> ,2012, Technical committee on food additives The Sudanese Standards and Metrology Organization, SSMO, Sudan
Principal subjects	Concept of food additives , general principles of food additives and technical function of 35 approved food additives in the Sudan
Printing press company	The Sudanese Standards and Metrology Organization, SSMO, Sudan

3rd Book

Title	Food-stuff of animal origin: Requirements of Quality and Safety Arabic ed.
Author/year	Osman, O. A. (2011)
Principal subjects	Concept of quality and standardization, quality and safety of foodstuff of animal origin , food derived from pork, highlight on the agreement of Sanitary and phytosanitary measures and consumer duties and rights
Printing press company	Sudan Currency Printing Press, Khartoum, Sudan

4th Book

Title	Halal Food: Potential in the Sudan through science and development
Author/year	Osman, O. A. (2009)
Principal subjects	Halal general background , safety of halal food, halal experience and situation worldwide, Sudan the potential halal hub and an overview of halal integrity
Printing press company	Sudan Currency Printing Press, Khartoum, Sudan

5th Book

Title	A Guide for Live Animals in Sudan, Part I: Domestic Animals Arabic ed
Author/year	Ahmed <i>etal</i> ,2007 Technical committee on Domestic Animals The Sudanese Standards and Metrology Organization, SSMO, Sudan.
Principal subjects	Morphological characteristic of domestic live animals including ovine , bovine ,caprine and camels
Printing press company	University of Khartoum Printing Press

6th Book

Title	A Guide for Live Animals in Sudan, Part II: Wild Animals . Arabic ed.,
Author/year	Ahmed <i>etal</i> ,(2007) during the activities of the Technical committee on Wild Animals The Sudanese Standards and Metrology Organization, SSMO, Sudan.
Principal subjects	Classification of mammalian in the Animals kingdom, the important wild animals in the Sudan and its distribution
Printing press company	University of Khartoum Printing Press

7th Book

Title	A Guide to Medicinal & Aromatic Plants in the Sudan (economic mapping)). Arabic ed.,
Author/year	Sirbel <i>etal</i> (2007) during the activities of the Technical committee on Medicinal & Aromatic Plants The Sudanese Standards and Metrology Organization, SSMO, Sudan.
Principal subjects	Information about the importance of medicinal plants in the Sudan with emphasis on selected 50 plants that have market potential in the international markets describing the botanical name , local name market potential and value added products for each plant
Printing press company	University of Khartoum Printing Press

8th Book

Title	A Guide to Medicinal & Aromatic Plants in the Sudan (economic mapping)). English ed.,(translated)
Author/year	Sirbel <i>etal</i> (2007) during the activities of the Technical committee on Medicinal & Aromatic Plants The Sudanese Standards and Metrology Organization, SSMO, Sudan.
Principal subjects	Information about the importance of medicinal plants in the Sudan with emphasis on selected 50 plants that have market potential in the international markets describing the botanical name , local name market potential and value added products for each plant
Printing press company	University of Khartoum Printing Press

2. Scientific Publications

Title	Toxicity to chicks of <i>Azadirachta indica</i> seed methanolic extract
Author/year	Osman, O. A.; Elbadawi, S. M. A.; Amin, A. E. and Harbi, M. S. (2007).
Source	Sud. J. Stnds. Metrol., Vol. 1(1):29-35

Title	Anticestodal action of <i>Jatropha curcus</i> against the poultry casted <i>Raillitina tetragona</i>
Author/year	Osman, O. A.; Elbadawi, S. M. A.; ELOwni, E. E; Amin, A. E. and Harbi,

	M. S. (2007
Source	Sud. J. Stnds. Metrol., Vol. 1(1):36-40

Title	Hazard Analysis and Critical Control Point (HACCP) system and its application in food safety, <i>Overview</i>
Author/year	Osman, O. A.; Bakhiet, A. O and Amin, A. E (2007).
Source	Sud. J. Stnds. Metrol., Vol. 1(2) :21-29

Title	Highlight on SSMO annual report 2006.
Author/year	Osman, O. A and Mohamed .K ((2007)
Source	Sud. J. Stnds. Metrol., Vol. 1(2).

Title	The SSMO annual report 2007, Accomplishments and challenges within the five-Year plan
Author/year	Osman, O. A and Mohamed .K ((2008)
Source	Sud. J. Stnds. Metrol., Vol. 2(1-2)1-17.

Title	The SSMO annual report 2007, Accomplishments and challenges within the five-Year plan
Author/year	Osman, O. A and Mohamed .K ((2008)
Source	Sud. J. Stnds. Metrol., Vol. 2(1-2)1-17.

Title	SSMO role in food safety, <i>Overview</i>
Author/year	Osman, O. A.Elhusien,A.M. and Harbi, M. S. (2008)
Source	Sud. J. Stnds. Metrol., Vol. 2(1-2):18-25

Title	Development an evaluation of nested PCR of specific identification of swine derived products in processed food and in animal feed concentrates
Author/year	Kairalla, M.S. Kairalla, Imadeldin E. Aradaib, Tigani Hassan, Ali A, Majid, Abdel rahim E. karrar, Ahmed M. Osman and Osman A. Osman (2006).
Source	Journal of food technology, 4(2), 160-165

Country papers (preparing and presentation)

Title	Country paper on Current status of the implementation of SPS agreement in the Sudan .
Activity/date	Workshop on the Review of National

CV Osman, O. A. (2014)

	SPS Systems in Comesa Region 29-31 March 2010
Place	<i>Comesa secretariat , Nairobi, Kenya</i>

Title	Country paper on Sudan Halal Standards and Conformance Infrastructure
Activity	Halal Standards and Conformance Infrastructure For OIC Countries' 27 July – 07 August 2009
Place	Mines Beach Resort, Seri Kembangan, Malaysia.

Title	Country paper on The Role of SSMO on HALAL FOOD
Activity	The 9 th Meeting of the OIC Standardization Experts' Group April 16 -18, 2008)
Place	Turkish Standards Institute TSE ,Istanbul, Turkey

Standards developing

- Thirty red meat standards.
- Five poultry products standards.
- Seven medicinal plants standards.
- Two animals feed standards.

TEACHING GRADUATE AND POST-GRADUATE COURSES

Faculty	Animal production, Sudan University of Science and Technology.
Course Subject	Quality Control of Animal products
Degree	B. Sc
Class and Academic Year	5 th , 2008-2009, 2010-2011.
Credit Hours	30(30+0).

Faculty	Post Graduate Studies and Scientific Research AL-Zaiem AL-Aazhri University
Course Subject	Total Quality Management (TQM)
Degree	M.Sc. Course
Class and Academic Year	2008-2010, 2010-2011.
Credit Hours	30(30+0).

**PARTICIPATION
IN DEVELOPING CURRICULA AND COURSES**

Course domain	Quality Control.
Implementer	Faculty of Animal production, Sudan University of Science and Technology Khartoum.
Degree/year:	B.Sc. Course, 5 th year.
Date/duration	5 th , 2008-2009, 2010-2011.

Course domain	Total Quality Management (TQM).
Implementer	Faculty of Post Graduate Studies and Scientific Research AL-Zaiem AL-Aazhri Universit
Degree/year:	M.Sc. Course.
Date/duration	2008-2010, 2010-2011.

POST- GRADUATE SUPERVISION AND AWARDED DEGREES

Candidate	Mohamed Ahmed Mohamed EL Tahir
Degree	M.Sc. in Tropical Animal production.
Thesis title	Study on Controlling Bacterial Hazards in Raw Milk
Awarded date	August, 2007
Faculty/University	Animal production, Sudan University of Science and Technology

Candidate	Yousif Alamin Mohamed Ahmed
Degree	M.Sc. in Food quality control Program
Thesis title	Effect of Handling on the Quality of Raw Milk According to Sudanese Standard
Awarded date	August, 2010
Faculty/University	Faculty of Post Graduate Studies and Scientific Research AL-Zaiem AL-Aazhri University

Candidate	Manahil Abdel Rahman Ali
Degree	M.Sc. in Food quality control Program
Thesis title	Evaluation of Table Egg Quality According to Sudanese Standard
Awarded date	February, 2011.
Faculty/University	Faculty of Post Graduate Studies and Scientific Research AL-Zaiem AL-Aazhri University

POST-GRADUATE CO-SUPERVISION

Candidate	Twadu Ali Saeed El Daw.
Degree	Ph.D. (Toxicology).
Thesis title	Toxicity of Potassium Bromate to Rats
Awarded date	June, 2012.
Faculty/University	Department of Medicine ,Pharmacology and Toxicology, Faculty of Veterinary Medicine, University of Khartoum.

RESEARCH PROGRAMES

Toxicity Studies on Potassium Bromate.

Leader : ■ Dr. A.E.Amin, Department of Medicine ,Pharmacology and Toxicology, Faculty of Veterinary Medicine, University of Khartoum.

Participants : ■ Dr. Awad El Karim M. A. Sukrab, Technical Administration, SSMO, Khartoum.

■ Dr. Osman Ahmed Osman, Dept. of Standards, SSMO, Khartoum.

Duration : June'2007 – 2010 (3 years).

Sponsor : The Technical Administration, Sudanese Standards and Metrology Organization (SSMO).
