

Personal details

Surname	Ikram Saad El-Din Abo-Shanab		
Other names			
Title	Prof. <input checked="" type="checkbox"/>	Dr. <input type="checkbox"/>	Mr. <input type="checkbox"/> Mrs. <input type="checkbox"/> Miss. <input type="checkbox"/> Ms. <input type="checkbox"/> Other <input type="checkbox"/> Please specify
Gender	Female <input checked="" type="checkbox"/> Male <input type="checkbox"/>		
Address	6 El Hadey St., - El Manial- Cairo, Egypt		
		Post Code	
Telephone Numbers	(+202) 236 20408	Evening	(+202) 236 20408
Mobile	+2010 5188869	Email	ikram_saadeldin@yahoo.com
Date of birth	Day 2	Mo 12	Yr 1948
	Place of birth	Shebin ElKom- Menofia- Egypt	

9.1.2 Education

School/College/ University/ Other	Degree obtained	Dates (from- to)
Faculty of Agriculture, Ain shams University	Ph.D	1978- 1983
Faculty of Agriculture, Ain shams University	Master of sciences	1974-1977
Faculty of Agriculture, Alex. University	Bachelor of science (B.Sc)	1967- 1971
El Nasr School	El Nasr School	1967

9.1.3 Training

Training attended / Technical skills acquired	Place	Dates (from- to)
International seminar on genetic resources in olive	Morocco	1-3/ 12/2008
Mid meeting of project the conservation characterization collection and utilization of the genetic recourse " presenting papers"	Morocco	27-31/5/2007
Mid meeting of project the	Fleranza	15-16/6/ 2006

conservation characterization collection and utilization of the genetic recourse " presenting papers"		
Meeting of Regional olive " network " presenting papers	Cyprus	19-21/12/ 2005
International symposium on health & production (Benefits of Canola&Olive Oil	Cairo	5-6 /6/ 2005
Mid meeting of project the conservation characterization collection and utilization of the genetic recourse " presenting papers"	Fleranza	28-30/5/ 2005
International course on the improvement of olive oil quality	Cairo	20-27/2/2005
Meeting of Regional olive network " presenting papers"	Marrakech	21-23/12/ 2004
First symposium on olive industry in Egypt present & future" presenting papers.	Cairo	29/9/ 2004
Meeting of International olive oil council (IOC)	Madrid Spain	19-20/12/ 2002
Meeting of International olive oil council (IOC)	Aix province France	11-15/6/ 2001
Final symposium of olive genetic improvement project " presenting papers"	Cairo	25- 28/ 5/ 2001
Workshop about olive growing organized by AKSAD " presenting papers"	Tunisia	22- 25/11/2000
International Seminar of scientific Innovations olive oil Technology	Flerenza Italy	9- 14/ 3/ 1999
Field day organized by International olive oil council (IOC) " about	Italy	6-8/11/1998

mechanical harvesting"		
International course about olive growing organized by (IOC) " presenting papers"	Cairo	17-24/5/1998
International course organized by International olive oil council (IOC) " about harvesting and table olive"	Delve Greece	28/11-3/12/1995
Course of new technology on fruits trees growing in arid regions, Organized by AKSAD " presenting papers"	Cairo	15- 26/1/ 1995
training course Electrophoresis	Cairo	16-27/4/1994
Post doctor for six months "Olive flowering"	pomology Dept., Univ. of Davis California	March 1991 to Sep. 1991
Olive field day	California – U.S.A	One day during July 1991
88th Annual meeting of American Society for Horticulture science	Pennsylvania U.S.A.	5 days during July 1991
Meeting of International olive oil council (IOC)	Madrid	4 days during Nov. 1986
Meeting of International agreement on olive oil and table olive	Geneva	10 days during July. 1986
International symposium on olive by products valorization (IOC)	Sevilla	5-8/3/1986
Meeting of International olive oil council (IOC)	Madrid	4 days during April 1984
Training for three months "Propagation of olive"	pomology Dept., Univ. of Davis California	April 1980 to July 1980

9.1.4 Employment History

Employer	Position	Dates (from- to)
Horticulture research Institute	Emeritus Chief Researcher	2008 until now
Horticulture research Institute	Chief Researcher	2005 – 2008
Horticulture research Institute	Head of olive & fruit semi arid zone Dep.	2002 to 2005
Horticulture research Institute	Chief researcher	1993 to 2002
Horticulture research Institute	Senior researcher	1988 to 1993

Horticulture research Institute	Researcher	1983 to 1988
Horticulture research Institute	Researcher assistant	1981 to 1983
Horticulture research Institute	Assistant researcher	1973 to 1981

9.1.5 Membership of professional associations

Professional body	Level of membership	Year of award
Egyptian Journal of Horticulture Edited by: Egyptian Horticulture Society	Member	1973 till now
Olive Council – Egypt	Member	2003 till now
Environmental committee	Member	2006 till now

9.1.6 Fields of interest

- A member of cooperative team work at scientific researches products on the following fruit crops (olive, pecan, guava, pomegranate, fig and almond).
- A member of olive propagation unit team work.
- A member of training committee for fruits at Hort. Res. Institute.
- A member of the permanent committee for Hort. Res. Institute Researchers.

9.1.7 Publications and patents

- Effect of some foliar fertilizer on growth and yield of guava trees .J. Agric. Res. Tanta Univ., 9 (4), 1199-1206.
- Evaluation of some propagation methods for guava. Annals Agric. Sci. Fac, Ain-Shams Univ. Cairo, Egypt. Vol. 28 (3),pp. 1677- 1688, 1983.
- Influence of gibberellic acid on enhancing pecan seedling growth. Annals Agric. Sci., Fac. Agric., Ain- Shams Univ., Cairo Egypt. Vol 28(3), pp 1689-1698, 1983.
- Some methods to enhanced seed germination of some pecan cultivars. Agric. Res. Rev., Vol. 60, No.3, pp. 111-124, 1982.
- Selection in seedling progeny of pomegranate. Annals Agris. Sci., Fac. Agric., Ain-shams. Univ., Cairo. Egypt. 30 (2), pp. 1513-1522, 1985.
- In vitro micro propagation of wardi red pomegranate (*Punica Granatum L.*). Egypt J. Hort., Vol 13, No. 2, pp. 103-108, 1986.

- Evaluation of some selected guava strains at Kanater El- Khairia orchard. *Annals. Agric. Sci., Fac. Agric. Ain Shams. Univ., Cairo, Egypt, Vol. 31, No 2. pp. 1367-1378, (1986).*
- Effect of urea on thinning Coronaiki olive fruits. *Bull. Fac. Of Agric., Univ. Cairo, Vol. 37, No 2, 1986.*
- Preliminary field study with Alsol 800 facilitate olive fruit harvest. *Annals. Agric. Sci., Fac. Agric., Ain-Shams Univ., Cairo, Egypt, 32 (1), pp. 613-625,1987.*
- Effect of gibberellic acid and chlormequat on growth of Coronaiki olive seedling. *Annals. Agric. Sci., Fac. Agric., Ain- Shams Univ., Cairo, Egypt, 32 (1), pp.601-611, 1987.*
- Effect of Daminozide (Alar85) and Cycocel on shoot growth, nuts, and yield of Chorokee pecan cultivars. *Agric. Res. Rev. 65 (3), pp. 381- 388, 1987.*
- Influence of ethephon and NAA on shuck dehiscence of Desirable pecan fruit in Egypt. *J. Agric. Sci. Mansoura Univ. 14 (3), 1989.*
- Studies on some factors affecting rooting ability of leafy olive cutting. *Zagazig J. Agric. Res. Vol. 17 No (3). pp. 85-86, 1990.*
- Effect of Ethephon and IBA on rooting of Banati guava cutting. *Zagazig J. Agric. Res. Vol. 17 No (1). pp. 123-133, 1991.*
- Effect of Gibberellin and some foliar fertilizer on guava seedling growth. *Egypt. J. Appl. Sci., 6 (4) 1991, 1-9.*
- Effect of salinity levels on growth of two olive seedlings Cvs. *Zagazig J. Agric. Res. Vol. 19 No (6). pp. 2541-2553, 1992.*
- Influence of spraying urea and gibberellic acid on pomegranate seedlings growth. *Egypt. J. Appl. Sci.,8 (7), pp. 571- 582, 1993.*
- Effect of cold stratification treatment on some endogenous compounds of some American pecan seeds and its relation to the germination percentage. *Egypt. J. Appl. Sci.,7 (11), pp. 40- 46, 1992.*
- Some factors affecting the rooting of guava. *Egypt. J. Appl. Sci.,7 (12), pp. 226- 238, 1992.*
- Physical and chemical evaluation of oil nuts of some pecan varieties. *Egypt. J. Appl. Sci., (1), pp. 62- 72, 1993.*

- Effect of tap root pruning and gibberellin spray on growth of pecan seedling. Zagazig J. Agric. Res. Vol. 20 No (18). pp. 305-315, 1993.
- Response of olive seedling to different water regimes. Annals of Agric. Sci., Moshtoho. Vol 31 (1), 1993.
- Pecan seedling response to mycorrhizal inoculation. Egypt. J. Appl. Sci, pp. 167-178, 1993.
- Effect of source of nitrogen fertilization and soil type on potted olive plants. Egypt. J. Appl. Sci, 8 (5) pp. 644- 664, 1993.
- Effect of some growth regulators on growth and ripening of guava. Agric.Res.Rev.
- Effect of pruning on guava trees. Agric.Res.Rev.
- Effect of potassium sulfate foliar application on guava trees. Agric.Res.Rev.
- Effect of some abscising agent on fruit and leaf Coronaiki olive tree. Agric.Res.Rev.
- Evaluation of some olive hybrids derived from a breeding program.

9.1.8 Presentations

- Course of new technology on fruits trees growing in arid regions, Organized by AKSAD (1995).
- International course about olive growing organized by (IOC) at Cairo (1998).
- Workshop about olive growing organized by AKSAD (2000) in Tunisia.
- Final symposium of olive genetic improvement project, Cairo Egypt (2001).
- Meeting of Regional olive network at Moraksh (2004), Cyprs (2005).
- Mid meeting of project the conservation characterization collection and utilization of the genetic recourse at Fleranza 2005, 2006 and 2007 at Morocco.
- International seminar on genetic resources in olive at Morocco 1-3 DEC 2008.
- First symposium on olive industry in Egypt present &future" presenting papers 2004.
- International course on the improvement of olive oil quality 2005.

9.1.9 Grants/ Awards

9.1.10 Additional information

- Writing in Agriculture Extension Magazine on cultural practices in olive orchards.
- Writing in Agriculture new reclaim area Magazine on cultural practices in olive orchards.
- Participating in writing Hort. Res. Institute Fruit Book.
- Participation in four published extensions of olive (2000, 2002, 2005, 2007), pamphlet of olive 2008.
- Regional study for the development, production, marketing and manufacture of olives in Arab republic of Egypt (league of Arab states –Arab organization for agricultural development 2003).
- Carrying out training programs for training horticulture staff in field different governorates.
- Transferring the experimental results on olive to the farmers using: field days, seminars, short training, course, visits.
- The advertising in all communication media about value of horticulture crops grown under semi arid zone.

- Supervision two thesis of M.Sc. on olive.
- Supervision one thesis of M.Sc. on pomegranate.
- Supervision one thesis of Ph.D on olive.
- Judgment researches.

Project	Level of membership	Year
Member in California project	Member	1982 to 1990
Member in NARP project	Member	1991
Member in Genetic improvement project of olive cooperate with the international olive oil council (IOC) and common fund for commodities (CFC)	Member	1994 to 2001.
Member in project for conservation, characterization collection and utilization of the genetic resource cooperate with the International olive oil council (IOC) and common found for commodities (CFC)	Scientific coordinating	2001- 2006
Project for improve the productivity of olive trees grown in small areas and transfer the adequate techniques of olive growing to the rural small farmers- funded by the telefood special fund (FAO)	Principal investigator	2003-2005
Arab project: development and improvement of olive productivity in some government of Egypt (El- Fayuom) funded by Academic Res.	Scientific coordinating	1998- 2001
Working group coordinator "Egypt" of regional olive network	Coordinator	2004 until now
Olive Council Egypt	Member	2002 until now
The Egyptian horticulture society	Member	1975 until now
Chief of the Special team work of the certificated olive seedlings products under supervision of the External Agricultural relations.	Member	2006 until now
