

## C.V.

**Name** : Mohamed Samir Tawfik Abbas  
**Date of Birth** : 17/1/1946  
**Sex** : Male  
**Position** : Prof. Dr. Researcher ( Emeritus)  
**Institution** : Plant Protection Res. Institute (PPRI),  
Agriculture Research Centre (ARC) .  
**Address** : Nady El-Said Street, Dokki, Cairo, Egypt.  
**Tel.** : 02 3836 2628  
Mobile: 02 010 6879 333  
**E-mail** : [mstabbas@hotmail.com](mailto:mstabbas@hotmail.com)  
**Qualifications** : B.Sc. Entomology, Ain-Shams Univ. 1968  
: M.Sc. Entomology ( Biological control), Cairo  
Univ. 1977.  
: Ph.D. Entomology (Biological Control), Cairo  
Univ. 1981.  
**Positions** : Research Assistant, PPRI, 1969.  
: Researcher Assistant, PPRI, 1980.  
: Researcher (Ph.D.), PPRI, 1981.  
: Assistant Prof. Researcher, PPRI, 1985.  
: Prof. Dr. Researcher, PPRI, 1990 .  
: Head of Dept. Biological Control, PPRI ( 2002 –  
2005 .  
: Prof. Dr. Researcher (Emeritus), PPRI, 2006.  
**Fellowships** : Peace Fellowship, Florida Univ, USA, Dec. 1982  
– 1982 – Jan. 1984.  
NARP Fellowship, California, USA, Feb. – Oct.  
1993 .  
**Awards and Prizes** : National Encouraging Prize, Academy of  
Scientific Research and Technology, Egypt,1990.  
**Expertise** : Biological Control Expert, Sultanate of Oman,  
1994 – 1995 .  
Biol.Cont. Expert , United Arab Emirates  
(through Arab Organization for Agricultural  
Development), 1999 – 2002, for biol.cont. of red  
palm weevil and other pests of date palm.  
Biol. Cont. Expert, Sultanate of Oman, 2004 -  
2007.  
**Projects** : Principal Investigator of the Projects :  
Biological Control of Sugar-cane Pests in Egypt  
( 1988 – 1999).  
Biological Control of Red Palm Weevil in

**Egypt (1997 – 1999).**  
**Biological Control of Economic Insect Pests**  
**Infesting Fruit Trees in Egypt ( 2003 – 2006).**  
**A staff member in many biological control**  
**projects including Pests of Date Palm Fruits .**

**Memberships**

**: Egyptian Society of Entomology.**  
**Egyptian Society of Biological Pest Control.**  
**International Society of Invertebrate**  
**Pathology (1984 – 1997) .**  
**International Organization of Biological**  
**Control .**

**Publications**

**: 72 scientific published papers in the field of**  
**IPM and biological control of insect pests.**
