### Current address

Home : 33 El - Shakh Mohamed Abdou st., El - Gomrok, Alexandria, Egypt.

Plant Production Department, College of Food and Agriculture Sciences, King Saud University.  
P.O.Box 2460, Riyadh 11451, Saudi Arabia.

Phone number : 00 203 48 13 558 Egypt.

Cell phone : 00 201 22 90 55 79 Egypt.

Phone number : 01 46 789 96 Saudi Arabia

Cell phone : 00 966 5 415 718 38 Saudi Arabia

Fax : 00 966 146 78 467 Saudi Arabia

### Personal :

Nationality : Egyptian

Marital status : married

### Languages : Arabic and English

- Advanced test stage I. 29 / 4 / 2004  
America - Mideast Educational and Training services, INC  
of courses in English Teaching Program (ETP) at the  
American center Alexandria.
- The ESP centre of Alexandria university for having completed  
a TOEFL preparatory course and passed the final exam  
with general grade EXCELLENT. 13 / 1 / 2004 to 23 / 3 / 2004.
- Upper intermediate. 22 / 5 / 2003  
America - Mideast Educational and Training services, INC  
of courses in English Teaching Program (ETP) at the  
American center Alexandria.

### Education :

- Ph.D - (Ph.D) in Alexandria University, Faculty of Agriculture, Dept., Floriculture and  
Ornamental Horticulture and Garden Design in 15 / 1 / 2007. The title of  
thesis (Ph.D) is " Breeding study on an annual Florist Crop "

Effect of Chemical Mutagens ( Sodium Azide and Diethyl Sulphate ) on Growth, Flowering and Induced Variability in *Amaranthus caudatus* L. and *A. hypochondriacus* L.

- M. Sc. - Department Floriculture and Ornamental Horticulture and Garden Design in 13 / 7 / 1998 Thesis title  
" Breeding study on an annual Florist Crop "  
( Effect of chemical Mutagens on *Tagetes erecta* L.)
- B. Sc. - Deprtement Floriculture and Ornamental Horticulture and Garden Design In June 1991.

### Employment and Experience

- Researcher in Plant Breeding, Ornamental Plants and Landscape Gardening Research Department, Horticultural Research Institute, Al-Montaza Garden, Alexandria, Giza, Egypt.
- Manager Training, Environment and Quality in Alexandria Governorate.
- Principals of landscape gardening and designing.
- Skills in planning and suitable landscape usages of plants a constructional materials in gardens and parks.
- Member of research and development in (ASDCO) Alexandria Governorate.
- Member of Environmental projects in (ASDCO) Alexandria Governorate.
- Member of the garden and floricultures department.
- Breeding and maintenance of indoor plants in greenhouses and in open field.
- Breeding and maintenance of outdoor plants in greenhouses and in open field.
- Maintenance of lawns.
- Development and design of garden for the following many projects.
- Member of Environment and Quality control department in Alexandria Governorate.
- Researcher in (ASDCO) Alexandria Governorate project, " utilizing of compost and west water in Agriculture " .
- Member of Arab Society for Biotechnology.
- Supervisor of the Greenhouses and Protected Houses of the Plant Production Dept., College of Food & Agric. Sciences, KSU from 2009 till 2013.
- Member of the college participation (representing KSU) in "Riyadh Spring Festival" # 5, 6 and 7 from 2009 till 2011.
- Member of agricultural exhibition organizing committee for the KSU wing at Agricultural Exhibition accompanying "Tree week" at Idyllic capital Institute, Riyadh from 2010 till 2011.
- Member of the Saudi Biological Society, King Saud University, Riyadh, since 2010 until now.
- Member of the Saudi Society of Agricultural Sciences, King Saud University, Riyadh, since its initiation in 2010 until now.
- Member of Committee on facilities and equipment for plant production, Faculty of Food Sciences and Agriculture in 2011.

- Member of the Organizing Committee for the sixth day of profession Faculty of Food Sciences and Agriculture in 27 - 28 / 5 / 1432.

Training Period :

- **Deanship of Skills Development “ The 2<sup>nd</sup> Annual forum for University Teaching – Learning Outcomes Assessment “** which was held at King Saud University during the period of 28 -29 / 3 / 1434 H, 9 - 10 / 2 / 2013 for a total of 10 training hours in Riyadh, Kingdom of Saudi Arabia.
- **Deanship of Skills Development “ Safe and Comfortable Learning Context “** which was held at King Saud University during the period of 14 / 11 / 1433 H, 30 / 9 / 2012 for a total of 3 training hours in Riyadh, Kingdom of Saudi Arabia.
- **Deanship of Skills Development “ Professional Teaching Competencies in HE “** which was held at King Saud University during the period of 13 / 11 / 1433 H, 29 / 9 / 2012 for a total of 3 training hours in Riyadh, Kingdom of Saudi Arabia.
- **“ III International Training Program on Red palm Weevil Management “** which was held at King Saud University during the period of 28 / 6 – 2 / 7 / 1433 H, 19 - 23 / 5 / 2012 in Riyadh, Kingdom of Saudi Arabia.
- **Deanship of Skills Development “ Learning Theories “** which was held at King Saud University during the period of 17 / 4 / 1433 H, 10 / 3 / 2012 for a total of 3 training hours in Riyadh, Kingdom of Saudi Arabia.
- **Deanship of Skills Development “ Integration of Research Outcomes and Teaching “** which was held at King Saud University during the period of 4 / 4 / 1433 H, 26 / 2 / 2012 for a total of 3 training hours in Riyadh, Kingdom of Saudi Arabia.
- **Deanship of Skills Development “ University Curricula and Enhancing Employability Skills “** which was held at King Saud University during the period of 4 / 4 / 1433 H, 26 / 2 / 2012 for a total of 3 training hours in Riyadh, Kingdom of Saudi Arabia.
- Deanship of E-learning and Distance Learning has attended a program in " Elluminate Live " which was held at King Saud University during the period of 8 / 2 / 2012 for a total of 4 training hours in Riyadh, Kingdom of Saudi Arabia.
- Deanship of E-learning and Distance Learning has attended a program in " Black Board III " which was held at King Saud University during the period of 13 - 14 / 3 / 1433 H, 5 -6 / 2 / 2012 for a total of 10 training hours in Riyadh, Kingdom of Saudi Arabia.
- Deanship of E-learning and Distance Learning has attended a program in " Smart Class Tech. III " which was held at King Saud University during the period of 12 / 3 / 1433 H, 4 / 2 / 2012 for a total of 2 training hours in Riyadh, Kingdom of Saudi Arabia.

- " Statistical Software SSP" which was held at King Saud University - Economic Department, College of Agriculture and Food Sciences during the period of 10 -14 / 12 / 2011 for a total of 6 training hours in Riyadh, Kingdom of Saudi Arabia.
- Attended the third national symposium for it " ARABIC AND ISLAMIC CONTENTS ON THE INTERNET " held at college of computer information sciences - King Saud University – K.S.A. - during the period of 6 - 7 / 3 / 2011 which corresponds to 1 – 2 / 4 / 1432 in Riyadh, Kingdom of Saudi Arabia.
- Deanship of E-learning and Distance Learning has attended a program in " Smart Class Tech. II " which was held at King Saud University during the period of 20 / 2 / 1432 for a total of 5 training hours in Riyadh, Kingdom of Saudi Arabia.
- Deanship of E-learning and Distance Learning has attended a program in " Black Board II " which was held at King Saud University during the period of 18 - 19 / 2 / 1432 for a total of 10 training hours in Riyadh, Kingdom of Saudi Arabia.
- " Student Assessment and Feedback " which was held at King Saud University during the period of 7 / 12 / 2010 for a total of 6 training hours in Riyadh, Kingdom of Saudi Arabia.
- Deanship of E-learning and Distance Learning has attended a program in " Black Board " which was held at King Saud University during the period of 18 / 1 / 1431 for a total of 5 training hours in Riyadh, Kingdom of Saudi Arabia.
- Deanship of E-learning and Distance Learning has attended a program in " Smart Class Tech. " which was held at King Saud University during the period of 16 / 10 / 2009 for a total of 5 training hours in Riyadh, Kingdom of Saudi Arabia.
- On – the – Job Training on EMS. Held at AGOSD East Wastewater Treatment Plant. Which took place in Alexandria governorate from Sept.10<sup>th</sup> – Dec. 28<sup>th</sup> 2002, within the development training II, USAID program implemental by ENVIRONICS Management of Environmental System and the International Marketing & Management Institute (IMI) and the Institute of International Education.
- Environmental Impact Assessment. Which took place in Alexandria governorate from 12 to 17 / 11 / 2002, within the development training II, USAID program implemented, by the EWATEC and The Institute of International Education.
- Introduction to Environmental Management 2. Which took place in Alexandria governorate from 26 to 28 / 5 / 2002, within the development

training II, USAID program implemented, by the EWATEC and The Institute of International Education.

- Environmental Awareness. Which took place in Alexandria governorate from 19 to 20 / 5 / 2002, within the development training II, USAID program implemented by the EWATEC and The Institute of International Education.
- Environmental Auditing. Which took place in Alexandria governorate from 11 to 15 / 5 / 2002, within the development training II, USAID program implemented by EWATEC and The Institute of International Education.
- Environmental Management Review. Which took place in Alexandria governorate from 10 to 11 / 3 / 2002, within the development training II, USAID program implemented, by the EWATEC and The Institute of International Education.
- Implementation of Environmental Management System 1. Which took place in Alexandria governorate from 2 to 6 / 3 / 2002, within the development training II, USAID program implemented, by the EWATEC and The Institute of International Education.
- Environmental Planning. Which took place in Alexandria governorate from 17 to 19 / 2 / 2002, within the development training II, USAID program implemented, by the EWATEC and The Institute of International Education.
- Introduction to Environmental Management. Which took place in Alexandria governorate from 10 to 12 / 2 / 2002, within the development training II, USAID program implemented, by the EWATEC and The Institute of International Education.
- Wastewater Plants and Network Management. Which took place in Alexandria governorate from 7/10 to 17/10/2001, within the development training II, USAID program implemented by the International Marketing & Management Institute (IMI) and the Institute of International Education.
- Administration and Management Skills:  
Module: 1 Report Writing      Module: 2 Effective Meeting  
Module: 3 Time Management    Module: 4 Negotiation Skills  
Which took place in Alexandria governorate from 15 July – 26 Sept 2001, within the development training II, USAID Program Implemented by the International Marketing & Management Institute (IMI) and The Institute of International Education.

- "Customer Service for Public Utilities" ( IMI ). Which took place in Alexandria governorate from 23 / 6 / 2001 - 30 / 6 / 2001, within the development training II , USAID program implemental, by the International Marketing and Management Institute ( IMI ) and the Institute of International Education.
- "Information systems and use of computers" Which took place in Alexandria governorate from 18 May – 13 Jun 1996, Central Agency for Organization and Management. Center for Leadership Development to the Government sector.

#### Project:-

" Studies on growth and production of different cultivars of Dendranthema X grandiflorum used as cut and container plants under Riyadh conditions and their landscape used". Funded by Agricultural Research Center, College of Agriculture, K.S.U.

#### Workshops:

- " Towards Distinguished Outcomes For The National Plan Projects " Participation on " **The National Plan for Science, Technology & Innovation Workshop " in 2 March, 2013 "** King Saud University (KSU) in Collaboration with King Abdel-Aziz City for Sciences and Technology (KACST) – Riyadh, Saudi Arabia.
- " Corrosion in Desalination and Power plants " Workshop Participation on " **10<sup>th</sup> Water Desalination Conference in The Arab Countries " in 8 – 11 April, 2012 "** King Faisal Conferences Hall – Riyadh InterContinental Hotel, Riyadh, Saudi Arabia.
- " **III Workshop on Red palm Weevil Management "**  which was held at King Saud University during the period of 28 / 6 – 2 / 7 / 1433 H, 19 - 23 / 5 / 2012 in Riyadh, Kingdom of Saudi Arabia.
- " Desalination Economics and Cost Evaluation " Workshop Participation on " **10<sup>th</sup> Water Desalination Conference in The Arab Countries " in 8 – 11 April, 2012 "** King Faisal Conferences Hall – Riyadh InterContinental Hotel, Riyadh, Saudi Arabia.
- In Recognition of Workshop Participation on " International Riyadh Workshop on NANOMATERIAL for Energy Storage " " Organized by King Saud University and Al-Faisal International Academy (ALFAC) in 4 -6 Dhul-Qa'da 1432 H, 2 - 4 October 2011 in Riyadh, Kingdom of Saudi Arabia.

- Custom workshop " Water Research and Techniques " Sheikh vertical Research Chair in water in cooperation with the Faculty of food sciences and agriculture – King Saud University and held during the period 12 / 7 / 1432 H, 14 / 6 / 2011.
- Twenty-eighth Sass " World Environment Day " at King Saud University – Faculty of Food Sciences and Agriculture – Saudi Society for Agricultural Science , held from 3 / 7 / 1432 H,, 5 / 6 / 2011.
- Participate in a discussion of the thirteen " Employed in the Cultivation of Aromatic Plants and Coordination of Streets, Squares and Parks in Cities ", organized by the plant production Science College-King Saud University in cooperation with the Arab Urban Development Institute and the Secretariat of the Medina from 22-23 Rajab, 25-26 / 5 / 2011.
- Custom workshop " Advances In Information Assurance Research " Center of Excellence in Information Assurance - King Saud University, held from 15 - 16 / 5 / 2011.
- " Solar Energy & Desalination Processes: Status and Development Perspectives 17<sup>th</sup> April 2011 " workshop organized by " arwadex " King Faisal Conferences Hall – Riyadh InterContinental Hotel Saudi Arabia.
- " Marine Environmental Impacts of Discharges from Desalination Plant 17<sup>th</sup> April 2011 " workshop organized by " arwadex " King Faisal Conferences Hall – Riyadh InterContinental Hotel Saudi Arabia.
- " GET READ. PUBLISH WITH SPRINGER " Workshop Organized by King Abdulaziz City for Science & Technology, Springer, edanz and King Saud University in 21 March 2011 in Riyadh, Kingdom of Saudi Arabia.
- Custom workshop for " Statistical Software SAS " Deanship of E-Transactions and Communications, which was held from 11 / 4 / 1431 H, 16 / 3 / 2011.
- First workshop in " Reviewer and Evaluation of Program Graduate Studies " Deanship of Graduate studies, Organized by King Saud University in 14 safr 1432 H, 18 January 2011 in Riyadh, Kingdom of Saudi Arabia.
- First workshop in " The Role of Learning and Teaching Centers in the Development of University Education " Deanship of Teaching and Academic, Organized by Center for Excellence in Learning and Teaching, King Saud University in 28 Muharram 1432 H, 3 January 2011 in Riyadh, Kingdom of Saudi Arabia.

- " Gray Water Legislation and Application " workshop organized by Soil Science Department, College of Agriculture and Food Sciences, King Saud University in 22 Muharram 1432 H, 28 December 2010 in Riyadh, Kingdom of Saudi Arabia.
- Fourth Workshop in " NetWork Security " Organized by Prince Muqrin Chair For Information Technologies Security, King Saud University in 26 - 27 December 2010 in Riyadh, Kingdom of Saudi Arabia.
- In Recognition of Workshop Participation on " Information Security " Organized by King Saud University in 12 December 2010 in Riyadh, Kingdom of Saudi Arabia.
- DNA Research Chair, First Workshop PROGRAM " DNA Research: A Gateway to Knowledge Economy " organized by College of Sciences, King Saud University in 24<sup>th</sup> May 2009 in Riyadh, Kingdom of Saudi Arabia.

#### Academic and Scientific Activities:

##### a. Teaching:

- Teaching undergraduate and graduate level courses in the field of floriculture, and ornamental horticulture and in the general field of plant production (including: Ornamental Plants and Landscape Gardening, Landscaping of Gardens and Parks, Gardens and Parks Planning and Construction, Ornamental Plants and Turfgrasses).

##### COURSES:-

- PPS 301 Production of Horticulture crops.
- PPS 477 Landscaping of Sites, Gardens and Parks.
- PPS 575 Planning and construction of Garden and Parks.
- Participation in the preparation and implementation of a program for the training course entitled " The foundations of sustainable management in national parks " in cooperation with the Ministry of Agriculture -Development Center in Riyadh, in 18 – 29 Rabia II, 1431 H; 3 -14 April 2010 in Riyadh, Kingdom of Saudi Arabia.

Participate in:-

- **“The 2<sup>nd</sup> Saudi International Water Technology Conference 2014”** by King Abdel-Aziz City for Sciences and Technology (KACST) held on 2 - 23-25 February 2014 in Riyadh, Kingdom of Saudi Arabia.
- **The 29th Meeting of Saudi Biological Society:” Environment and Development in The Gulf Region”** 25-27 Rabia Althani, 1435 H (25-27 February, 2014) Hosted by University of Dammam, Dammam, Kingdom of Saudi Arabia.
- **“International Conference of GreenSys 2013”** organized by International Society for Horticultural Science (ISHS) by paper titled **“Influence of alar and osmocote slow-release fertilizer application on growth and flowering of four cultivars of chrysanthemum plants grown in greenhouse conditions”**. In proceeding of the in 6-11 October, 2013, ICC JEJU, JEJU, South Korea.
- **“International Symposium on Growing Media and Soilless cultivation”**. Organized by International Society for Horticultural Science (ISHS). 17-21 June, 2013 in Leiden, Netherland.
- **The 5<sup>th</sup> International Conference on Water Resources and Arid Environments 2013 (ICWRAE 5)** by King Saud University, in 7 - 9 January 2013 in Riyadh, Kingdom of Saudi Arabia.

- **“The Saudi International Biotechnology Conference 2012”** by King Abdel-Aziz City for Sciences and Technology (KACST) held on 2 -3 Dhu Al-qa’Dah 1433 H, 18 – 19 September 2012 in Riyadh, Kingdom of Saudi Arabia.
- **The First International Conference on “Sultan and The Built Environment”** 5 /6 /2012 in Riyadh, Kingdom of Saudi Arabia.
- **“10<sup>th</sup> Water Desalination Conference in The Arab Countries** “in 8 – 11 April, 2012 “King Faisal Conferences Hall – Riyadh InterContinental Hotel, Riyadh, Saudi Arabia.
- **“Advanced Technologies Forum 2011”** by King Abdel-Aziz City for Sciences and Technology (KACST) held on 3 -5 Muharram 1433 H, 28 – 30 November 2011 in Riyadh, Kingdom of Saudi Arabia.
- **“Saudi International Water Technology Conference 2011”** by King Abdel-Aziz City for Sciences and Technology (KACST) held on 26 -27 Dhu Al-Hijjah 1432 H, 21 – 22 November 2011 in Riyadh, Kingdom of Saudi Arabia.
- **THE 1<sup>ST</sup> ANNUAL FORUM FOR UNIVERSITY TEACHING " TOWARDS BETTER UNIVERSITY TEACHING "** by King Saud University and Deanship of Skills Development in 13 -14 Dhul-Qa’da 1432 H, 11 – 12 October 2011 in Riyadh, Kingdom of Saudi Arabia.
- **“The 4<sup>th</sup> Saudi International Technology Incubation Conference”** KACST (King Abdel-Aziz City for Sciences and Technology) in 11 -13 Dhul-Qa’da 1432 H, 9 – 11 October 2011 in Riyadh, Kingdom of Saudi Arabia.
- **" 9<sup>th</sup> THE WATER DESALINATION CONFERENCE in the Arab Countries "** 17 – 20 April, 2011 " King Faisal Conferences Hall – Riyadh InterContinental Hotel, Riyadh, Saudi Arabia.
- **"The 4<sup>th</sup> International Conference on Agricultural and village development "** by King Saud University and Saudi Society for Agricultural sciences, in 4 -7 April 2011 in Hail, Kingdom of Saudi Arabia.
- **"1<sup>st</sup> International Forum on Entrepreneurship & Knowledge-Based Economy "** in 12 -14 safr 1432 H, 16 – 18 January 2011 in Riyadh, Kingdom of Saudi Arabia.
- **The 4<sup>th</sup> International Conference on Water Resources and Arid Environments 2010 (ICWRAE)** by King Saud University, in 6 -8 December 2010 in Riyadh, Kingdom of Saudi Arabia.

- Saudi International " TECHNOLOGY INCUBATION CONFERENCE 2010 " KACST ( King Abdel-Aziz City to Sciences and Technology ) in 11 – 12 / 10 / 2010 in Riyadh, Kingdom of Saudi Arabia.
- The 25<sup>th</sup> Meeting of the Saudi Biological Society Titled " NANOTECHNOLOGY IN LIFE SCIENCES " in cooperation with Camels Research Center at King Faisal University and King Abdullah Institute for Nanotechnology at King Saud University Hosted by King Faisal University Al-Insaa. 11 – 13 May, 2010, Kingdom of Saudi Arabia.
- The First International Conference on "Technology & Sustainability in The Built Environment" 3 – 6 / 1 / 2010 in Riyadh, Kingdom of Saudi Arabia.
- " The First International Conference on Entrepreneurship " in 25 – 26 / 10 / 2009 in Riyadh, Kingdom of Saudi Arabia.
- DNA Research Chair, First Workshop PROGRAM " DNA Research: A Gateway to Knowledge Economy " 24<sup>th</sup> May 2009 in Riyadh, Kingdom of Saudi Arabia.
- The Second International Conference on " Technology and Sustainable Development in the 21<sup>st</sup> century " 13 - 15 / 12 / 2008 in Alexandria, Egypt .
- The Second Arab Conference for Studies and Research for Environmental " Environmental management and health of the Arab Towns " Institute for Studies and Environmental Research - Ain Shams University. 2 – 5 / 5 / 2008 in Cairo.
- The First Conference on Research for Development (Towards a Strategy for Application ) ASURD. 25 – 27 / 3 / 2007 in Cairo.
- 9<sup>th</sup> Conference of Materials Science "Materials and Information Technology" . 19 – 21 / 11 / 2006 in Alexandria, Egypt.
- Congress of phytopathology (The Egyptian Phytopathological Society) "Disease problems affecting the protected crops and methods of its control " December, 12, 2006, Alexandria , Egypt.
- The Third International Conference for " Development and Environment in the Arab World " . 21- 23 / 3 / 2006 in Assiut, Egypt.

- The First Scientific Conference "Cereal crops and its importance in achieving food security of Egypt". 20 - 21 / 6 / 2005 in Alexandria, Egypt .
- "The Second International Conference for Development and Environment in the Arab World" . 23- 25 / 3 / 2004 in Assiut, Egypt.
- "The future of producing and exporting flowers in Egypt", part II. A conference held at Alexandria University in 2 / 3 / 2002 in cooperation with the Ministry of Agriculture as well as different cut flower growers in Egypt.

### Research Interests:-

- The use of new DNA and biotechnology Research to improve flowers and ornamental plants.
- The use of new techniques in greenhouse production of flowers and ornamental plants.
- Utilizing biotechnology and implementation of NANO'S techniques in enhancing flower production and concentration of aromatic materials in some medicinal and aromatic plants, and the efficiency of plants to reduce pollutants.
- Wild plants' studies and their importance and adaptation for landscape uses.
- Turfgrass planting and management in gardens, parks and sport fields.  
Improving and utilizing public gardens, national parks and other promising natural sites.
- Developing and designing house and kindergarten gardens to serve and promote educations, thinking abilities and talents of kids.
- The importance of fulfilling the functional, aesthetic and ecological safety considerations when designing street and square gardens.
- Ecological tourism and the importance of national parks and gardens in prospering local tourism industry.
- Local and worldwide flower and ornamental plant exhibitions and festivals, and botanical gardens.
