Personal Data

Name	Hanaa Abd El-Kader Ahmed
Date of Birth	23/07/1970
Address	7 Lofty El-Said St. El-Abbasia, Cairo, Egypt
Telephone No. & Fax	(+202) 24875463/ (+2) 01110444747 (+202) 33350030
E-mail	hanaakader@hotmail.com
Marital Status	Married with 2 daughters
Current job	Senior Researcher, Technical Manager of PCR LAB, Biotechnology Dept., Animal Health Research Institute (AHRI), Dokki, Egypt.

Education

Qualification	Ph. D of Veterinary medical Science(2005) Zagazig Univ.
Graduation	Bsc., of Veterinary medical Science (1993) Zagazig Univ.
Grade	Very Good
Post Graduation Degrees	M. V. Sc. (1999) Zagazig Univ.
Pre-graduation Training	6 Months from May 1992 to January 1993 in the veterinary field
Specialty	Biochemistry
Spoken Language	Arabic (Mother Tongue) English (Fluent) German (little)

Work Experience

Job Title	Employer	Department	From	To
Senior Researcher (Associate Prof.)	AHRI	Biotechnology	7/2010	Now
Quality manager deputy	AHRI	Biotechnology	3/2010	9/2012
Researcher (lecturer)	AHRI	Biotechnology	7/2009	6/2010
Researcher (lecturer)	AHRI	Mycoplasma	6/2005	7/2009
Researcher Assistant	AHRI	Medical Chemistry, Nutrition Deficiency and Toxicology	12/1999	6/2005
Assistant Researcher	AHRI	Medical Chemistry, Nutrition Deficiency and Toxicology	5/1995	12/1999
Quality Controller	Cairo Poultry Slaughter House	Quality Control	8/1993	2/1995

Achievements

- 1- **Trainer at AHRI training center (Lecturing and practice) for both pre and post graduates, researchers, University staff in Egypt and Arab countries for the following:**
 1. Biotechnology (*Electrophoresis, Immunoblotting, PCR, sequencing, etc.*)
 2. ISO 17025.
 3. Quality Management

4. Proposal writing.
2. Work routinely in diagnosis of FMD, a ISA, Swine flu, Blue tongue, LSDV, BVDV, PPR, Psudomonas, Mycoplasmas, TB, Listera, Staph, E. coli, many equine diseases by PCR and Real-Time PCR, also for identification of animal species in food and feed .
3. Coordinator of FMD Task Force Team with EUFMD, FAO and GOVS 2012 till now.
4. Reviewer at International Journal of Applied Biotechnology and Biochemistry (IJABB), International Journal of Biotechnology and Bioengineering Research (IJBBR) and AHRI reviewer committee.

Training Courses

- 1- **“Introduction of DNA sequencing and Fragment analysis”** By Applied for life science- Sweden, 21- 23 May 2013.
- 2- **“Project Management and Project Management from people prospective”** By American Chamber of Commerce in Egypt (OLT) Feb 2013.
- 3- **“Current And Future Diagnostic Methodologies In Animal Health”** International Centre for Advanced Mediterranean Agronomic Studies (CIHEAM), through the Mediterranean Agronomic Institute of Zaragoza (IAMZ), the Food and Agriculture Organization of the United Nations (FAO), through the Animal Production and Health Division, and the World Organization for Animal Health (OIE). 14-18/1/2013.
- 4- **“FMD Epidemiology”** By EUFMD with cooperation with FAO, Larnaca, Cyprus, 11-13/6/2012.
- 5- **“Logical Framework and Results-Based Management, Monitoring and Evaluation”** By FAO-ECTAD (Emergency Center for Animal Transboundary Diseases) 27- 29 May 2012.
- 6- **“Effective presentation”** By American Chamber of Commerce in Egypt (OLT) May 2012.
- 7- **“Field Epidemiology Training Program and Biostatistics”**. By FETP – Ministry of Health (22 Jan – 15 Mar / 2012).
- 8- **“Human Resource Management course”** By Anwar Resala, 1-30/12/2012.
- 9- **“Sequence analysis and Reverse genetics”**. By NLQP- AHRI (5-8/12/2011).
- 10- **“ISO 17025 internal Audit”**. By EGAC (Egyptian Accreditation Council- Ministry of industry) from 12-13 Dec 2011.
- 11- **“Molecular Diagnosis and Genetic Characterization of FMDV”** Training course by SAP (FMD) Institute, Ankara, Turkey (20 June/ 01 July, 2011).
- 12- **“Research Proposal Reviewer training workshop”** by technology management and commercialization office, (March 23- April 1, 2010).
- 13- **“Certified Quality Inspector”** Training course by AUC 3/9/2009 till 27/2/2010.
- 14- **“ISO 17025 internal Audit”** Workshop By Animal Health Research Institute (24 /11 / 2009).
- 15- **“Proposal writing and project management”** by science and technology transfere center (8 -12/10/2009)
- 16- **“Quality control application in Laboratories”** Workshop By Animal Health Research Institute (15 /2 / 2009- 26/2/2009).
- 17- **“Application of Biosafety and Biosecurity in Laboratories”** By Animal Health Research Institute (12-16/10/2008).
- 18- **“ISO 17025”** Workshop By Animal Health Research Institute (11- 19/ 2/2008).
- 19- **“Biosafety in Laboratories”** Workshop By Animal Health Research Institute (18-22/11/2007).

- 20- "**Molecular Biology Techniques for Diagnosis of Infectious Diseases**" by Animal Reproduction Research Institute in cooperation with FAO & the Egyptian Veterinary Medical Association (4 - 15 /6/ 2005).
- 21- "**Methods and Analysis Applications using Electrophoresis**" by Agriculture Consultant and Research Center In faculty of Agriculture, Ain Shams Univ. (**14 – 16/ 5/ 2003**).
- 22- "**The use of Bio-statistic in Research**" By Animal Health Research Institute (2002).

One day workshop, seminars and Conferences

- 1- "**The first conference of the scientific association of AHRI**". 17-19/12/2012.
- 2- "**Technical workshop on foot and mouth disease in Egypt challenges and way forward**" By Alex Univ. in collaboration with FAO and EUFMD, 2-3 May 2012.
- 3- Closer meeting of Project "Strengthening Foot-and-Mouth Disease (FMD) surveillance and control in Egypt to assist progression on the FMD Progressive Control Pathway" FAO (29 Feb 2012).
- 4- "**Team Building for Team Leaders**" By DAAD Kairo Akademie 15th Feb 2012.
- 5- **Managing Conflicts using Constructive Negotiation Techniques**. DAAD Kairo Akademie, Dec. 8th, 2011.
- 6- **Next generation sequencing and its application**. By AGERI-ARC, Oct 31st 2011.
- 7- The 4th scientific conference for animal wealth in the Middle East and North Africa (03-05 Oct. 2011).
- 8- 1st Ibn Sina online conference (1-15 Jan 2011).
- 9- **Foot and Mouth Disease, Overview of the current situation in the Middle East, East Africa and Egypt**. Seminar by Dr.Jeff Hammond, Director of Institute of Animal Health (IAH). Obroy Mina House, Nov 30th, 2010.
- 10- **Mandatory and Voluntary Conformity Assesment Schemes In The Food and Agriculture Sectors**. seminar by EGAC in cooperation with BSI and SWEDAC (May 26th , 2010).
- 11- **Define your project management skills**. by Humanasset, Italy at ARC conference hall, 25/6/2010.
- 12- **Recent Advances in Microarray Application**" seminar by AGITECH in semiramis international cairo (Feb 18th, 2010).
- 13- **The application of the OECD principles of good laboratory practice (GLP) to Egypt**. By EJAC with cooperation with SWEDAC, UKAS, BSi, Jan 19th, 2010.
- 14- **OHSAS 18000**. By AHRI, Dec 29th, 2009.
- 15- The 2nd international conference on Biotechnology (17-18/10/2009).
- 16- **Genomics and proteomics advanced research solutions**. seminar by Bio-Rad life science (june 10th , 2009).
- 17- **How to Write a Research Project**. Workshop By Animal Health Research Institute (12 /1 / 2009).
- 18- The eighth international symposium on Tilapia in Aquaculture (12-14/10/2008)
- 19- The 1st international conference on Biotechnology (18-19/10/2008).
- 20- **Real time PCR**" Workshop By Animal Health Research Institute (20 /4 / 2008).
- 21- **FP7 projects**" Workshop By EU training staff and academy of scientific research (Feb 11th , 2007).
- 22- Annual International congress of Egyptian Society of Biochemistry and Molecular Biology (April 2007).

Committees and Thesis Supervision

- 1- A member of the department committee
- 2- Institute Quality management committee member.
- 3- Institute Focal point of project committee member.
- 4- Project reviewer committee member.
- 5- Internal Auditor for compliance of ISO 17025 at AHRI.
- 6- Member of The Egyptian Network for Bioinformatician and Genomics.
- 7- Member of the Association Research Members of the Agriculture Research Center (ARMARC).
- 8- Member of the EGYBSA (Egyptian Biosafety Association).
- 9- One of the council of the Scientific Association of Animal Health Research Institute (SAAHRI).
- 10- Supervision of 2 master thesis (1 finished and 1 current) and 2 PhD theses (Current).
- 11- Acknowledged in 7 master and 5 PhD theses.

Projects

1. A member in the project ***“The Use of Molecular Biology in the Control of Chronic Respiratory Disease”*** 2004- 2006, Funded by Ministry of Higher Education and Scientific Research.
2. A member of research team in an OIE Twinning Project between Animal Health Research Institute and OIE Reference Laboratory For Foot and Mouth disease (Institute For Animal Health Pirbright Laboratory England) on ***“Strengthening Foot-and-Mouth Disease (FMD) surveillance and control in Egypt to assist progression on the FMD Progressive Control Pathway”*** (finished feb, 2012), Funded by EUFMD and FAO.
3. Currently, a member of research team in a project funded by STDF ***“Sequencing and Matching of new FMDV Field isolates with bivalent vaccinal strains locally produced in Egypt”***.
4. Currently, a member of research team in a project funded by STDF ***“Bovine Tuberculosis in Egypt”***.
5. A Co-PI in an US-Egypt Joint research project funded by STDF ***“Molecular diagnosis and Biological control of Rift Valley Fever in Egypt”***.
6. A scientific Researcher at ***“Epidemiological Role and sero-surveillance of Rift Valley fever virus in camels in Egypt”*** Funded by USDA.
7. Currently, a member of research team in a project funded by ministry of agriculture ***“A National project for the development of Milk production in Asuit and Sharkia governorates”***.

Skills

1. Excellent user of PC with all Microsoft programs (word, Excel, PowerPoint, access and internet) in both Arabic and English languages, Holding the **ICDL (2008)**.
2. Excellent presentation skills.
3. Analytical and Problem solver
4. Good user of molecular biology software (image analysis, primer design, and sequencing and gene bank tools).
5. Using some statistical software in data analysis.
6. Having TOEFL with score of 580 (12/10/2009).
7. Have some Business skills (from American Chamber of Commerce in Egypt, OLT) in the following: E-Mailing Your Way to the Top, Budgeting and Saving, grammar, Time Management Fundamentals, Customer Service for Managers, Customer Service Fundamentals, Managing changes, Motivation Methods and Strategies, Teams that work and Time Management for Maximum Productivity.
