

Curriculum vitae : Dr. Hechmi CHEHAB

MARITAL STATUS

Family circumstances : Married
Nationality : Tunisian
Date of birth : 27/ 04/1973
Birthplace: El Alem - SBIKHA- KAIROUAN

PERMANENT ADDRESSES

Olive Tree Institute – Station of Sousse
Email: cheheb2003@yahoo.fr
Phone 0021699661395

PROFESIONAL ACTIVITY

2003-2009: Research in Olive Tree Institute (Tree Physiology – Irrigation management)

FORMATION

Secondary Studies

1993 : Baccalaureate in Applied Sciences

Higher Studies

1998 : National Engineer in Horticulture (Height School of Horticulture - Sousse)

Doctoral Studies

2001 : Master in Agronomy Sciences (Agronomic National Institute of Tunisia).

2007 : PhD in Agronomic Sciences (Agronomic National Institute of Tunisia-INAT).

LANGUAGES

Arabic - French - English-Italian

TRAINING COURSES

2002 : International course : Euro-Mediterranean advanced course “Strategies of sustainable management of water resources for yield and quality enhancement in olive growing - Naples (December 1-8, 2002) Italy.

2003 : Training course of Doctoral studies in the Department of Arboricultural Fruit- University of Agronomy - Palermo (May 26 to September 17, 2003) Italy.

2007 :Training course : use of climatological hardware and software of data processing for irrigation management -University of Gent-Belgium; department of the plants Ecology (June 5 -19, 2007).

2009 : International course: Trends and Measurement of Crop Water Requirement – Catania (5-9 October 2009) Italy.

PUBLICATIONS
