

Curriculum Vitae

Personal Data

Name	Amani Mahmoud Awwad Alawamleh
Place and date of birth	Jordan – Al Salt 21 June 1976
Present address	Al Salt, Jordan
sex	Female
Marital status	Single
Nationality	Jordanian

Education

University	The University Of Jordan/ Jordan
Graduation Year	1998
Qualification	B.Sc. Degree in Agriculture
Section	Plant Protection
Average Rate	Good

Institute	Mediterranean Agronomic Institute of Bari (MAIB)/ Italy
Section	Integrated Pest Management of Mediterranean Fruit Trees
Graduation Year	2013
Qualification	M.Sc. Degree
Master thesis title	Ecological and Biological studies of the African fig fly <i>Zaprionus indianus</i> (Diptera: Drosophilidae) in Jordan
Average Rate	Cum Maxima Laude

Languages

Language	Reading	Writing	Conversation
Arabic	Excellent	Excellent	Excellent
English	Excellent	Excellent	Very Good

Skills

Equipment	Skills
Computer	Microsoft Word, Excel, Power point and Internet
Gas Chromatography GC with ECD & NPD Detectors & LCMS & GCMSMS	Analysis of Pesticide Residues in Food

Present and Past Employment

<i>Job Location</i>	<i>Date of Employment</i>	<i>Job Title</i>
Ministry of Agriculture Plant Wealth Laboratories Directorate / Plant Phytosanitary Laboratories	12/11/2013 – up to date	Agricultural Engineer (Entomologist)
Ministry of Agriculture Plant Wealth Laboratories Directorate / Pesticides Residues Analysis Laboratory	11/2/2004 – 30/10/2011	Agricultural Engineer (Analysis of Pesticides Residues in agricultural Produce)
AgroChemicals Industries LTD	21/11/1998 – 30/11/2001	Agricultural Engineer (Pesticides registration)
Agricultural Extension Department	1–17/11/1998	Agricultural Engineer
Directorate of Al-Balqa Agriculture	12–30/10/1998	Agricultural Engineer

Training Courses

<i>Subject</i>	<i>Duration</i>	<i>Location</i>
Bee Keeping	7–10/11/1998	Ministry of Agriculture/Agricultural Extension Department
Garden Planning	8–19/8/2000	Agricultural Engineer Association
Computer Microsoft Package	22 Hour	Engineers Association
Integrated Pest Management (IPM)	22–26/9/2001	Agricultural Engineer Association
Phase out of Methyl Bromide	28 –29 /1/2003	Agricultural Engineer Association
Using The Internet	18 Hour	Information Technology Center
Leadership and Communication Skills	8–10/8/2004	Ministry of Agriculture/Agricultural Extension Department
Phytosanitary Quarantine	28/11–1/12/2004	Ministry of Agriculture/Agricultural Extension Department
Garden Planning	8–10/8/2005	Ministry of Agriculture/Agricultural Extension Department
Integrated Management of Grapevine	23–25/8/2005	Ministry of Agriculture/Agricultural Extension Department
Fruit Trees Grafting	27–28/6/2005	Ministry of Agriculture/Agricultural Extension Department
Soap Production	22–23/6/2005	Ministry of Agriculture/Agricultural Extension Department
Integrated Management of Protected Agriculture	25– 29/9/2005	Ministry of Agriculture/Agricultural Extension Department

Environment and Agricultural Extension	12-15/9/2005	Ministry of Agriculture/Agricultural Extension Department
ISO/IEC – 17025 :2005, QA/QC, Method Validation, Quality Control and Measurement Uncertainty	2-11/5/2006	Ministry of Agriculture/ Pesticides Residues Analysis Laboratory
Integrated Management of Date palm	18-21/9/2006	Ministry of Agriculture/Agricultural Extension Department
Radioactivity Protection	16-20/3/2008	Royal Scientific Society
Chemical Analysis (theory and practice on spectrophotometric (AAS, Flam emission(FE),UV/VIS/ NIR and FTIR) and chromatographic(GC-MS, HPLC and IC) techniques)	30/3 -1/4/2008	Mutah University / Prince Faisal Center for Dead Sea, Environmental and Energy Research
Chromatographic applications (theory and practice on GCMS,HPLC and IC)	26-28/5/2008	Mutah University / Prince Faisal Center for Dead Sea, Environmental and Energy Research
International Computer Driving License (ICDL)	20/10/2008 – 19/1/2009	National Information Technology Center
Control Charting in Chemical Analysis	8-10/6/2009	Royal Scientific Society
Principle, Practise and Maintenance of Ion trap GC/MS/MS/ Varian	6-10/7/2009	University of Almeria / Community Reference Laboratory for Fruits and Vegetables, Spain
Statistical Analysis (SPSS)	11-15/4/2010	Agricultural Engineer Association
Summer School on Water and International Relations	5-15/9/2011	TU Braunschweig, Germany
Training of Trainers Safe Use of Agro inputs	13-17/2/2012	Mediterranean Agronomic Institute of Bari, Italy

Membership

- Agricultural Engineers Association in Jordan.
- Arab Society for Plant Protection.
- Jordanian Society for Organic Farming.

Projects

- Safety Use of Pesticides and Quality Control Project. Ministry of Agriculture, from February 2004 – November 2006
- Pesticides Residues in some Medicinal Plants and their Products, Jordan. Mutah University, from September 2009 – September 2011
- Study the extent of pollution of the environment of Jordan as a result of the use of pesticides in agricultural crops, grain and fodder in the northern governorates (Irbid, northern Jordan Valley, Jerash, Ajloun, Mafraq), Ministry of Environment, from March 2010 – March 2011

Grants

- Grant amount 25000 JD, Scientific Research Support Fund, Jordan. Pesticides Residues in some Medicinal Plants and their Products, Jordan. Project period 2009 – 2011.
- M.Sc. scholarship, 2011– 2013, CIHEAM/MAIB (Mediterranean Agronomic Institute of Bari), Italy. Thesis work was supported by a private company in UK and Jordan (Russell IPM, Ltd.).
