

Curriculum vitae

Ahmed Mohammed Diab El-Shafei

• PERSONAL DETAILS

Surname Diab
Other names Ahmed Mohammed
Gender Male
Address 15 El-Fath El-Islame St, Mubarak District,
 Sharkia, Egypt
Date of birth 1/9/1981
Place of birth Abou-Hammad
Nationality Egyptian
Marital Status Single
Current job Researcher Associate in (CLAR), Department
 of Fish Extension Research.
General specialization Rural Sociology and Agricultural Extension.
Exact specialization Fish Extension.
Post. Code: Abbassa, 44662
Work Phone (055) 3401028 , (064) 9201621
Work Fax (055) 3400498 , 3401027
Home Phone (055) 2264264
Mobile 01287226147
Email Ahmeddiab_clar@yahoo.com

• EMPLOYMENT HISTORY

Employer	Position	Dates (from-to)
1. Agricultural Engineer in (CLAR), Department of Fish Extension and training	Central Laboratory for Aquaculture Research, Department of Fish Extension and training	2003 - 2005
2. Research Assistant in (CLAR), Department of Fish Extension and training	Central Laboratory for Aquaculture Research, Department of Fish Extension and training	2005 - 2009

3. Researcher Associate in (CLAR), Department of Fish Extension and training	Central Laboratory for Aquaculture Research, Department of Fish Extension and training	2009 - till now
--	--	-----------------

• EDUCATION

Degree Obtained	College/ University/ Other	Dates (from-to)
B. Sc	Faculty of Agriculture, Economic Dept., Rural Sociology and Agricultural Extension Section, Zagazig University, Egypt	1998 - 2002
M. Sc	Faculty of Agriculture, Economic Dept., Rural Sociology and Agricultural Extension Section, Suez Canal University, Egypt.	2004 - 2009
Registered P. hD	Faculty of Agriculture, Economic Dept., Rural Sociology and Agricultural Extension Section, Zagazig University, Egypt.	2009- Till now

• PUBLICATIONS AND PATENTS

- List of publications:-

Sahar M.M. El-Basioni, **A.M. Diab**, "A Study of Some Problems Which Face the Fish Farming in EL-Beheira and EL-Fayoum Governorates", Journal of the Egyptian Aquaculture Society, 2006.

A.M. El-Sayed, Sahar M.M. El-Basioni, **A.M. Diab**, "The Fish Farmers Knowledge Needs Regarding To the Recommendations for Aquaculture in Sharkia and Ismailia Governorates", Agricultural research journal , Suez Canal University, Volume 9, No. 1, 2008.

A.M. Diab, "A comparative Study of Fish Farmer's Extension Needs in Sharkia and Ismailia Governorates", M.sc Degree In Agricultural Extension, Faculty of Agriculture, Economic Dept., Rural Sociology and Agricultural Extension Section, Suez Canal University, Egypt, 2009.

Graeme Macfadyen, Ahmed Mohamed Nasr Alla, Daa Al Kenawy, Mohamed Fathi, Hussien Hebicha, **Ahmed Mohammed Diab**, Samy Mohamed Hussein, Ramadan Mohamed Abou-Zeid, Gamal El-Naggar " Value-chain analysis – An assessment methodology to estimate Egyptian aquaculture sector performance ", Aquaculture 362-363 (2012) 18-27.

Sahar M.M. El-Basioni, A.M. Diab, Identify problems of fishermen in River Nile at El-Menia Governorate and suggestions for solving these problems, Journal of the Egyptian Aquaculture Society, 2011.

- **RESEARCH PROJECTS**

1. Effect of fish production development on standard of living for workers in this activity at Edco, Beheira Governorate, World Fish Center, August 2009.
2. Value chain analysis of Egyptian aquaculture, World Fish Center, Start date 2011, End date 2014.
3. Member of the working group for project: Mediterranean Network of sustainable small-scale fishing communities "FISHINMED", Start date 10/11/2011, End date 09/11/2014.
4. Member of the working group for project: Management of water and salinity in the Nile Delta: A cross-scale integrated analysis of efficiency and equity issues, Start date 2013, End date 2014.

- **TRAINING**

Training attended/ Technical skills acquired	Place	Dates (from-to)
1. Common diseases in fish farms.	Central Laboratory for Aquaculture Research	From 10-1-2004 To 21-1-2004
2. Basics of hatching and fish farming.	Central Laboratory for Aquaculture Research	From 23-1-2004 To 2-2-2004
3. Basics of construction and management for fish farms.	Central Laboratory for Aquaculture Research	From 7-2-2004 To 18-2-2004
4. Different types of intensive aquaculture.	Central Laboratory for Aquaculture Research	From 22-2-2004 To 6-3-2004
5. See Water Fish Spawning, Rearing and Aquaculture.	Central Laboratory for Aquaculture Research	From 20-3-2004 To 31-3-2004
6. Ecology and biology of aquaculture.	Central Laboratory for Aquaculture Research	From 10-4-2004 To 24-4-2004
7. Fish Processing and quality control.	Central Laboratory for Aquaculture Research	From 20-11-2004 To 1-12-2004
8. Use of internet and information technology in scientific research.	Central Laboratory for Aquaculture Research	From 4-5-2008 To 6-5-2008
9. Basics of aquaculture.	Central Laboratory for Aquaculture Research	From 23-11-2008 To 2-12-2008

10. Management of environmental effect for aquaculture projects.	World Fish Center (ICLARM)	From 14-12-2008 To 18-12-2008
11. Mechanism of fish extension and its role at development fish sector	World Fish Center (ICLARM)	From 24-12-2009 To 29-12-2009
12. Improve quality of fish production in light of international standards	Central Laboratory for Aquaculture Research	From 4-12-2011 To 8-12-2011
13. Aquaculture technology	Central Laboratory for Aquaculture Research	From 5-2-2012 To 23-2-2012
14. Fish health and welfare	Central Laboratory for Aquaculture Research	From 15-4-2012 To 26-4-2012
15. Freshwater fish hatchery	Central Laboratory for Aquaculture Research	From 27-5-2012 To 7-6-2012
16. Modern technology for shrimp farming	Arab Organization for Agricultural Development - Faculty of Veterinary Medicine, Cairo university	From 9-9-2012 To 11-9-2012
17. Fish feed technology	Central Laboratory for Aquaculture Research	From 13-1-2013 To 24-1-2013
18. Theoretical and practical applications for different scientific devices	Central Laboratory for Aquaculture Research	From 24-2-2013 To 7-3-2013
19. How to Write Your Scientific Paper	Cairo University Center of Printing and Publishing	From 10-3-2013 To 14-3-2013

• **MEMBERSHIP OF PROFESSIONAL ASSOCIATIONS**

Professional Body	Year
1. Union of Agriculture occupation.	2002
2. Egyptian Society for Agriculture Extension.	2007
3. The Egyptian Society for Water, Aquaculture and Environment.	2007
4. Blue wealth for Aquaculture, Development of Environment and Society.	2009
5. Member Editorial Committee "Egyptian Journal of Aquaculture" - Quarterly - Print ISSN: 2090-7877	2011

• **SCIENTIFIC SYMPOSIUM**

- Workshop on " achievement of central laboratory of aquaculture research "research plan 2002-2007", hall of conference, agriculture research center, 2007.

- Scientific research priorities at development of aquaculture and chances of publishing at international journal, Mediterranean Sea association for aquaculture and environmental, Faculty of veterinary, Suez canal university, 2008.
- Problems of imported fish and human health, Faculty of veterinary, Banha University, 2009.
- Aquaculture at canal and Sinai governorates "Problems and Solution", Faculty of veterinary, Suez Canal university, 2010.
- Mechanism and axes of development aquaculture in Egypt - Faculty of agriculture, Mansoura University, 2011.
- Workshop on " The Role of Central Laboratory for Aquaculture Research in Development of the Aquaculture Industry, and the Cooperation Opportunities with the other Institutes and EU for Funding Projects", Wed. 15 May 2013, central laboratory of aquaculture research.

- **CONFERENCE**

- Aquaculture development between present and future in Egypt (1March, 2005), held in Central laboratory for aquaculture research, Abbassa, Abou Hammad, Sharkia, Egypt.
- The 1st scientific conference on "Modern Attitudes in Aquaculture", held in Sharm El-Shaikh (13 - 16 December, 2006).
- The 2nd scientific conference on "The Sustainable Development of Aquaculture", held in guest house of ain Shams University (13 - 14 January, 2008).
- The first conference on "Freshwater Crawfish", Center of researches and studies of nature reserves, Ain Shams University and Egyptian society for electronic microscope(8 May, 2008).
- The eighth international symposium on tilapia - Cairo international convention center (CICC), (12-14 December, 2008).
- Global Fisheries & Aquaculture Research Conference, Cairo - Egypt 24-26 October 2009, Cairo International Convention Center.
- The 3rd scientific conference on "The Sustainable Development of Aquaculture", held in guest house of ain Shams University (17 - 18 December, 2010).

- **PRECEDENT EXPERIENCE**

- Work at department of fish extension research and training from 2003 -till now, beside giving a lecture at:
 - 1- Training extension courses for aquaculture at central lab. Of aquaculture research.

2- Symposiums of aquaculture generally and aquaculture at rice field particularly.

3- Seminars at central lab. Of aquaculture research.

- Supervision on Training courses and Seminars.
- Preparation extension bulletins in aquaculture field.
- Preparation evaluation for fish farms projects.
- Participation at many training courses in and out central lab. Of aquaculture research.
- Participation handbook for training programme in "fresh water fish hatching ", 1 -21 July 2007.
- Member in organizing committee for the 1st scientific conference on Modern Attitudes in Aquaculture.
- Member in organizing committee for the 2nd scientific conference on The Sustainable Development of Aquaculture.
- Member at technical office for Director of CLAR.

• **LANGUAGES SKILLS**

- Very good command of "read, spoken, written" English language.
- 1- TOEFL test (550).
- 2- Training cycle "Development skills in use English language".
- 3- General /Conversation English ^{CHS 24}
- Good command of "read, spoken, written" French language.

• **OTHER SKILLS**

- I have obtained some courses from the American University of Sciences, State of Oregon through scholarship from Swiss Academy for modern studies:-
 - Soft skills ^{CHS 18}.
 - Time management
 - Interview skills
 - Communication skills
 - Business Management.
 - Business concepts
 - Intro To Sales/Marketing
 - Intro To Business Accounting
 - Intro To Human Resources
 - Intro To Team Building
 - International Certified Trainer ^{CHS 12}.
 - Understanding How Adults Really Learn
 - Engagement Strategies For Enhanced Learning
 - Presenting Information For Optimum Comprehension and Recall
 - Psychological Counseling ^{CHS 6}.

• **COMPUTER SKILLS**

- Perfect knowledge of Microsoft Windows.
- Perfect knowledge of Microsoft Office.
- Perfect knowledge of internet.
- Perfect knowledge of statistical analysis programme (SPSSWIN).
- International Computer Driving License (ICDL), Syllabus Version 3.0 (UNESCO).
- (IC3^R) Certiport's Internet and computing core certification GS3.

• **FIELDS OF INTEREST**

- Computer and Internet.
- Reading Books, Magazines, and Newspapers.
- Travel.
- Sport.
- Music.
