

## CIRRICULUM VITAE

### Personal Information

**Name** : Ameera Mahgoub Mohammad  
Ahmed

**Date of Birth** : 1968

**Nationality** : Sudanese

**Title** : 1/Assistant professor  
/VRI

2/ Part timer Lecturer/University of  
the  
Sudan for sciences and technology  
(educate immunology and  
vaccinology)

**Post** : Research officer in Dept.  
of Mycoplasma, Sudan, Central Vet.  
.Res.Institute.

**Address** : Department of  
Mycoplasma, Central Vet. Res. Laboratories,  
**P.O. Box: 8067** El Amarat, Khartoum, Sudan  
**Mobil.0249116133179**

**E-mail** : ameeramahgoub@hotmail.com

### Qualifications:

**1988:**Sudan Secondary School Certificate

**1993:**B.V.Sc. University of Khartoum

**2003:**M.V.Sc. University of Khartoum

**2011:**PhD. Sudan Academy of Sciences (SAS)

### Awards:

**2000:**Scholarship from Sudan Government for

studies leading to M.V.Sc. "Studies on M.mycooides subsp mycooides T1/44/SR vaccine Strain and other strains(2000).

**2006:**Scholarship from Sudan Government for studies leading to Ph.D.V.Sc. Molecular & immunological "Studies on M.mycooides subsp mycoide Sc old and resent isolate from the Sudan

**2011:**PhD degree obtained in march .

**Professional career:**

**1995:** Veterinary Officer in the Animal Health Dept., Ministry of Animal Resources, Khartoum. In the same year I was transferred to the Omdurman veterinary clinic.

**1998:** I was selected to join the department of Mycoplasma, Central Veterinary Research Laboratories as an Assistant Research Officer. Since then I have been involved in different research programmes conducted by the Department in addition to vaccine production and diagnosis.

**2000:** I was nominated for M.V.Sc. degree in the University of Khartoum. Titled Studies on M.mycooides subsp.Mycooides vaccine strain T1/44/SR and other strains

**2003:** Veterinary Research Officer in the Department of Mycoplasma, Central Veterinary Research Lab. where I worked in different research projects concerning contagious bovine and caprine pleuropneumonitis

(CBPP&CCPP)project which concern with

1/vaccine production

2/diagnosis of all samples sent to the laboratory for Mycoplasma

3/ Training of Veterinarians and technicians in different aspects of

Mycoplasmaology.

**4/** Training of under and post graduate student ,theoretical and practical.

**2006-2008** Head of Mycoplasma department CVRL.

**2011 - February 2014** Head of Mycoplasma department CVRL,Soba

**5/** Supervision for under and post graduate Students researches studies

a.Dr. Faisal Mohammad Hamid PhD student

b.Dr. Sahar Elias PhD student

c.Dr. Tanzeel Awad Gadeen Msc student

d.Dr. Mahdi Alzobeir Msc student

e.Dr. Ibraheim Msc student

**6/** External examiner for under graduate students 2013 the 3<sup>rd</sup> year (in microbiology field)

Internal examiner for post graduate student(Jala Awad Algeed) 2014(in microbiology mycoplasma field)

**Activities:**

**Courses:**

**1998:**Course on immunology, Central Vet. Laboratories .

**2005:**Training courses in CBPP Vaccine production and quality control in PANVAC Ethiopia .

**2006:**Training course on quality control management system

Based on the ISO 17025 for testing and calibration Laboratories ( CVRL ).

**2008:**Statistic analysis course in Sudan Academy of Science.

**2010:**Training courses in Veterinary Vaccines quality control in Gordon( 2010) Arranged by ACSAD in collaboration with Islamic bank.

**Conferences:**

**2008:**ARRC Conference .In Sudan

**Workshops:**

**9-10 July 2003:**Workshop on the control strategies of contagious bovine pleuropneumonia (CBPP), , PACE.- Sudan
