

Curriculum vitae

Name: Abd El-Monem Abd El-Rahman El-Henawy

Citizenship: Egyptian

Marital Status: Married

Place and date of Birth: Sharkia, January 9th, 1969

Present Position: Researcher, Executive Manager of Egyptian Deserts Gene Bank and Head of North Sinai Research Station, Desert Research Center.

&

Director of Sustainable Development Center for Matrouh Resources

Address:

(Home): Manshia, Sharkia, Ezbet El-Hebis. Egypt. P. Box. 44713

Tel. 002-055-2921555 002-011-1144361

Tel. & Fax. : 046- 4939301

E.mail: henawy69@yahoo.com

Office: North Sinai Research Station, North Sinai, Egypt.

Desert Research Center, Plant ecology & range management Dept

1st Matahaf El-Mataria st., Mataria, Cairo, Egypt.

Tel. 002-02-6398759

Education:

B.Sc. May 1991 : Agronomy, Fac. of Agric., Zagazig Univ. Zagazig, Egypt.

M.Sc. Feb. 1999: Agronomy, Fac. of Agric., Cairo Univ., Cairo, Egypt.

(Effect of foliar application with Cycocel and Urea on some Wheat cultivars under Saline Conditions).

Ph.D. Jan 2006: Agronomy, Fac. of Agric., Ain Shams Univ., Cairo, Egypt.

(Study of the productivity response of some range halophyte plants as affected by degree of seed maturity and storage conditions.)

Work Experience:

1992-1993: Specialist of plant production in flora plant classification department. ARC.

1994-1995: member of the staff whom working on (Sawing wheat by transplanting at NWCR). Project funded by DRC

1995-1996: Member of the staff whom working on (Use of increasing saline water in Siwa oases). Project funded by DRC.

1996-2000 : Specialist of plant production and Executive manager of EDGB, North Sinai Research Station, DRC.

2000: Assistant Researcher,

2000-till now: Executive manager of Egyptian Deserts Gene Bank, North Sinai Research Station Desert Research Center.

2003-2005: Member of the staff whom working on (Enhancing the contribution of neglected and underutilized species to food security, and to incomes of the rural poor.) project funded by IPGRI-IFAD.

2006-Sept. 2007: Director of North Sinai Research Station, Desert Research Center.

Sept.2007 till now: Director of Sustainable Development Center of Matrouh Resources, Desert Research Center. Named (International Bank for development of Matrouh Resources)

Training:

- 1- (Sowing field crops at Desert Area). Desert Research Center
- 2- (Development of cultivation fruitful trees). ACSAD
- 3- (Reclamation, use and reformation of deserts land from agriculture site). Desert Research Center.
- 4- (Seed bank management) Sept. 1999- ICADA- IPGRI in Syria
- 5- (Seed handling in Gene Bank) IPGRI Staff in Egypt
- 6- (Conservation and sustainable Use of plant Biodiversity: facing the challenges of the Arid Lands of the Mediterranean) Mediterranean Agronomic Institute of CHANIA, Greece CIHAM
- 7- (International Diploma course in Herbarium Techniques) 2001- RBG- Kew, UK.
- 8- Workshop formation on monitoring and evaluation of desertification in Egypt.
- 9- First conference of the national gene bank of Egypt sept. 2005
- 10- Evaluation of the Self- Learning Training Tool on Seed Handling for Genebanks. 2006 Izmir, Turkey.
- 11- The Role of Genebanks in Promoting the Use of Agriculture Biodiversity to Combat desertification. 2006, Bioversity International . Egypt
- 12- Training course (Improvement and Development of forage resources and livestock under deserts conditions) Desert research Center, 2007.
- 13- Developing strategies on scientific bases for collecting , conserving and uses of medicinal and aromatic plants on green mountain in Oman. May 2008
- 14- Attended some workshops (international and national conferences) on Biodiversity conservation .

Skills:

Computer skills: Microsoft office, Windows XP.
Language skills: good in talking, good in reading and writing
Plant genetic resources Information system (GRIS)
Seed viability and handling in gene bank
